GIANTS ON THE LOCAL MAT

Westergaard and Zbyszko to Meet at the Auditorium Monday.

BIG MEN IN THE PRELIMINARIES

Manager Gillan Has Prepared Another High Class Wrestling Carnival for the Lovers of That Sport.

Des Moines is preparing to send a large contingent to Omaha to witness the Zbyszko-Westergaard match Monday night, when these giants get together again at the Auditorium. Honors are about even between the two to date. Many wrestling fans have a more wholesome regard for Westergaard since the remarkable showing he made against the giant Pole when last they met and the match came to a sudden end when Westergaard wrenched his ankle.

Westergaard has been for some time doing training stunts in the open air, being the owner of a large power boat at Des Moines, and writes that he has fully recovered and will be in condition to go the route next Monday night. His Des Moines followers have the utmost confidence in his ability to handle the Pole when next they meet, and they will be on hand in full force to cheer him along.

Manager Gillan has arranged a preliminary which he thinks will be nearly as interesting as the main event. It will be between Bill Hokuf, the local giant and Ben Paveika of Verdigris, Neb. Bill Hokuf is well known to the Omaha fans. Paveika comes for the first time, but he comes with the recommendation of Farmer Burns, who has met him on the mat. He says he is big and strong and a comer and liable to get the best of them. Other preliminaries will be arranged.

At Last A Filing System Suited To Your Needs — No Matter How Small

THINK of it—a modern business system—made up of just the arrangement of drawers, cabinets, etc., peculiar to **your** needs—standard in construction and finish, as **practical** as the most elaborate system for the **largest** concern or office in existence—but **"expanded downward"** to your needs.

Not a cent to put into useless, idle capacity—complete as only Shaw-Walker devices are complete with standard size drawers, indexes and filing compartments but only **half** as many of them—only half the cost.

A system built with the idea of seeing how **little** you would have to spend, **not** how much.

That's "Sectionets."

Frankie Burns Whips Trenda

Oakland Lightweight Gets Decision Over St. Louis Boy in Ten Rounds.

KANSAS CITY, April 12.—Frankie Burns, the Oakland lightweight, was given a decision over Harry Trendal of St. Louis, in a ten-round boxing contest here tonight.

Trendal accepted the fight on three hours' notice. Monte Dale of Denver, Colo., who was to have met Burns, broke his hand in training today and was unable to go on. Trendal was not in good shape. He weighed in at 138. Burns weighed 133. The decision was close, and many thought it should have been a draw.

"Soldier" Miller of Fort Leavenworth, Kan., and Earl Henderson of Muscatine, fought a fast ten-round draw as a preliminary bout.

AMONG THE LOCAL BOWLERS

Metz Bros. Accept Challenge of the Willow Springs for Series Beginning Tonight.

The champion Metz Bros. team have accepted the challenge issued by Loch's Willow Springs five for a series of games, and will play the first three games on Francisco's alleys tonight. Some of the best bowlers in the city think the Willow Springs team can beat the Metz Bros. These games will doubtless be a good exhibition of ten pins, as all the men are old seasoned bowlers.

In the Mercantile league last night the Quartermaster's Department rolled exceptionally good ten pins, winning all three games, with Scott rolling the nice total of 623 pins.

The pick of the postoffice will play a series of games with the crack Cudahys of the Booster league, the first series being rolled at Francisco's alleys tonight.

BOSTON, April 12.—Knockouts prevailed in the preliminary bouts of the National Amateur Athletic union's boxing championships in Mechanics building last night.

The work of Harry J. Harrows of New York was one of the features. In the 115-pound class he defeated M. J. Carroll of New York, a former national champion, in one round, and later knocked out H. Duemmling of Boston, also in one round.

Hillard Lang of Toronto, Ont., made a brilliant showing in the 145-pound class, winning with ease over George Mulhen of New York. The finals will be held tomorrow night.

Chivington Assigns Umpires.

CHICAGO, April 12.—President T. M. Chivington, of the American association, today announced the following assignment of umpires for the opening games tomorrow:

W. J. Guthrie and C. F. Van Syckle at Columbus.
William Bierhalter and S. P. Cusack at Toledo.
C. B. Owens and C. Ferguson at Minneapolis.
G. Hayes and Ollie Chill at St. Paul.

Coulon Outpunches O'Leary.

NEW YORK, April 12.—Johnny Coulon, the bantamweight champion, out punched and out generaled Young O'Leary of New York in ten rounds at Brooklyn last night. O'Leary was punished severely in close quarters by hard rights and lefts to the body. He had a tantalizing left to the face and closed one of Coulon's eyes, but the Chicago boy kept on boring in, forcing O'Leary to the ropes. In the last round Coulon almost floored O'Leary with a left hook. Both fought at 115 pounds, ringside, as stipulated by Coulon.

Reulbach is Improving.

ST. LOUIS, April 12.—Edward J. Reulbach of the pitching staff of the Chicago National team, who is ill at his home here with diphtheria, showed some improvement today. His baby girl, who is suffering from the same disease, has had a relapse.

JEFF HAS NARROW ESCAPE

Big Prize Fighter Menaced by Live Wires Near Camp.

ONLOOKERS RECEIVE BAD SCARE

All Escape Injury, However, and Training Goes On—Work Begun on Outdoor Gymnasium.

BEN LOMOND, Cal., April 12.—The old question of whether hard luck is camping on the trail of James J. Jeffries, determined to put the champion out of the count before he gets a chance to show what he can do against Jack Johnson on July 4, came to the front again today at Jeffries' training camp, when the big fighter had a close call to death or injury through a live wire.

Jeffries went out to cut down a redwood, accompanied by Farmer Burns and Jack Wooley, an Oakland sportsman. When the tree fell it crashed through a string of power wires and the ends of a telephone line dropped close to the Jeffries party, striking within a few feet of where the champion stood. All near the champion were frightened thoroughly, but Jeffries did not show any emotion. He went right to work cutting logs and chopping wood.

Rain Mars Training.

Rain made outdoor work impossible in the morning. The sparring sessions were postponed again without apparent reason other than that Jeffries did not feel in the mood to box. In place of that Jeffries went through the full list of the gymnasium apparatus, working himself into a fine glow.

The monotony of the camp was broken during the afternoon by a wrestling match between Farmer Burns and Baron Karl Henkeol, an officer of the Germany army, who was a visitor at the camp. The baron thought he could win from Burns easily and several wagers were made on the outcome of the match. Burns, however, kept up his reputation by scoring a fall in two minutes and thirty-five seconds.

Sam Berger, Jeffries' manager, returned to camp today, after having completed arrangements for the outfitting of the gymnasium. Berger would make no announcement as to the first boxing performance which is looked forward to anxiously as giving the only true light of Jeffries' condition. Carpenters will start work in the morning lifting the roof of the gymnasium to secure sufficient light and air.

Mrs. Jeffries was taken slightly ill today and will leave for Oakland tomorrow.

Base Ball Crowds Beans Off the Map

Appearance of Four Teams in Boston on Same Day Turns Attention from Favorite Dish.

BOSTON, April 12.—A general base ball appearance overcome this city today, with players of four teams, Harvard, the Boston Americans, the Providence (Eastern league) team and the Boston Nationals on the grounds, starting the local season in two exhibition games.

IOWA STARS MAY BE OUT OF GAME

Rumor that Four Athletes Are Back in Class Room Work.

IOWA CITY, April 12.—(Special.)—Will Iowa lose the services of Chase, star hurdler; Alderman, champion weight man; Tallman, another racer, and O'Brien because of faculty disapproval of their classroom records?

The word has gone forth that the men have been conditioned in their studies, but "Sphinx" Delaney rather non-committantly scouts the idea that they will be out of the big meets. The university registrar declares he has been notified concerning one man whom he did not mention and referred his questioner to Prof. A. G. Smith, who declared no change has taken place since the opening of the semester. All this encourages the students to believe the four stars will be in the meets.

Coach Delaney has had twenty men working her during the spring vacation. The other fifty men of his squad returned today.

Foot Ball Player Injured.

COLUMBIA, Mo., April 12.—A. C. Ramley, tackle on the University of Missouri foot ball team, in spring practice this afternoon, had at least one rib, and probably more, broken in a scrimmage.

The squads were playing "revised" foot ball and no mass plays were attempted. Members of the team declare the new open game is more dangerous than the old, and several of them already have sustained minor injuries.

New Harriman Team.

The base ball team at the Union Pacific shops has been organized and ready to meet all comers. Games will be arranged for Saturday afternoons. New uniforms have been provided and the team will soon make its first appearance with its spring scenery. The following players will compose the team: Claire, Duff, Smith catchers; Riley, Hagenesh, pitchers; Popiall, first; Gibson, second; Denny, third; McGowan, short; Casey, Dennison and Dygert, fielders.

Denies Racing Rumors.

LOUISVILLE, Ky., April 12.—M. J. Winn, general manager of the new Louisville Jockey club, returned from New York today. He said:

"The situation in New York is not discouraging to horsemen. Sane judgment will prevail and the sport will thrive there as heretofore."

He gave a flat denial to reports emanating from Galveston to the effect that Mexican racing concessions had been revoked.

Jack Johnson Visits Omaha

Will Give a Workout Exhibition at the Gayety Theater April Twenty-Third.

Jack Johnson and his training crew will be in Omaha Saturday, April 23, and will stop off long enough to put on a little exhibition at the Gayety theater. Johnson is not training as hard as Jeffries at present, as he says he would go stale if he was to train for such a length of time.

Manager Johnson of the theater announces that he will have some good preliminaries for the evening and that Johnson will show his training methods and will box three rounds with his sparring partner.

KEARNEY SIGNS FIVE PLAYERS

Manager Murphy Now Has Sixteen Men on the List.

KEARNEY, Neb., April 12.—(Special.)—Manager Murphy of the Kearney Base Ball league has signed up five more players, which brings the number for the tryout up to sixteen. The later additions are L. C. Trimble, a south-winged pitcher from Milford, Neb.; Frank Quigley, who will hold down the third sack and who hails from Chicago; Guy Townsend, catcher, from Jacksonville, Ill.; Fred Judson, pitcher, of Denver, and Frank Boasen, outfielder, of Minden. Quigley was with a southern league last year and is considered a very good man. Townsend played for Grand Island two years ago. The practice season will open on April 25, at which time Murphy expects to have his men here and the grounds in good condition. The athletic park west of the city will be used and is a very inconvenient place to reach. A number of the stockholders of the team are complaining because these grounds are to be used and many express the opinion that it will be the cause of a financial failure for the club to make good.

Settlers Pouring Into South Dakota

Three Hundred Carloads of Immigrant Effects Sent Into Northwestern Part of the State.

SIOUX FALLS, S. D., April 12.—(Special.)—Reports from points on the Pacific coast extension of the Chicago, Milwaukee & St. Paul railway in the extreme northwestern portion of the state are to the effect that for some little time past there has been a great influx of new settlers to Lemmon and other points along the new line. At one time a few days ago there were between Mobridge and Lemmon a total of 300 cars loaded with the effects of the new settlers who were destined to points in the vicinity of Lemmon and other new towns along the railroad extension. Traffic is so heavy on the line that the railway company has difficulty in securing a sufficient number of locomotives to pull the trains through, and freight shipments consequently are greatly delayed. There is a very encouraging outlook for the new settlers. The ground is in excellent condition and crop prospects could not well be brighter than they are at present. Great areas of virgin prairie land is being broken and this season will be devoted to crops for the first time. In this breaking process scores of immense power breaking outfits are being utilized, and they are turning over the sod at a really remarkable rate.

Fans See Corridon Play Lively Game Against Soldiers.

ROURKES WIN GAME, 11 to 2.

Shotten, New Left Fielder, Also Makes Favorable Impression—Omaha Plays at Lincoln Today.

Omaha was a little too strong for the Fort Crook soldiers at Vinton park Tuesday afternoon and won the ball game by a score of 11 to 2. At that the soldier boys played a good game and at times made the Rourkes hustle to get out of their way.

The efature o fthe game was the playing of Corridon, the little shortstop Pa got from the St. Louis Browns. Corridon, who arrived in the city yesterday morning, won the admiration o fthe fans on his first appearance in an Omaha uniform. He made four runs, got three hits, five putouts, four assists and made one error. The error was not a boot, however, but a throw to Agnew, which went a little wide.

Shotten, the new left fielder, also arrived at the same time and played a good game. He is speedy o nthe bases and looks like a slugger. He got a run and a hit.

"raceful" Sindelar was in the box for the Omaha bunch and went the nine innings in good shape. He struck out seven, gave a base on balls and hit Waller. Only five hits were registered against him, one being a three-bagger by Sherer. He kept these hits widely scattered and at no time was in serious difficulty.

Captain Waller of the soldiers played a good game and kept his team going all the time. The Sixteenth infantry band was in attendance and livened things up by its music.

Two hundred soldiers occupied the bleachers and did more real rooting than has been heard at th eiot this season.

Today the Rourkes go to iLncoln for two games and return here Friday for a game with Morningside college.

Further hearing in the ouster proceedings against Major George H. Richmand, fered a severe attack of heart failure, chief of police of Council Bluffs, who sufferede a severe attack of heart failure Sunday evening, was contued yesterday by Judge F. B. Woodruff until next Monday morning.

Judge Woodruff is due to open the term of court at Avoca today and hoped to complete the hearing in the Richmond case yesterday, although it is extremely doubtful if that could have been accomplished, even had Major Richmond been physically able to be in court. The grand jury for the Avoca court is sumoned for today and in addition the trial of the case of the state against Mart Ring of Carson on the charge of assault with intent to kill is set for this week in that court. Between twenty-five and thirty witnesses have been summoned for this case, consequently Judge Woodruff felt that it was imperative that he go to Avoca and it was at his suggestion that the hearing in the removal proceedings was continued for one week.

Attorney General Byers and his assistant, John Fletcher, returned to Des Moines yesterday afternoon. Mr. Byers offered no objection to the continuance when advised of the illness of Major Richmond.

The timely use or Chamberlain's Cough Remedy will prevent pneumonia.

ROBBERS ARE IDENTIFIED BY TRAIN'S PASSENGERS

Bandits Who Held Up Missouri Pacific Train Recognised by Victims.

JOPLIN, Mo., April 12.—Eight passengers on the Missouri Pacific train that was held up and robbed by three unmasked men just north of Pittsburg, Kan., two months ago, have been identified as John Anderson, T. W. Hodson and Frank Williams as the robbers, according to dispatches from Columbus, Kan., where the men are in jail tonight.

The trio were arrested here last week on suspicion of being the men who held up the St. Louis and San Francisco depot at Baxter Springs, two weeks ago and shot Courtland High, the station agent. They were identified today by High, who is just out of the hospital at Springfield, as the men who shot him.

The Missouri Pacific train was stopped by the robbers and all passengers were forced to give up their valuables. The total amount obtained was close to $1,300. In addition to the charges of train and depot robbery, special agents of several roads charge the men with systematic box car robberies throughout this district in which more than $15,000 worth of merchandise has been stolen.
