Drexel-Gould Wedding on Thursday Drawing Much Attention as the Union of Many Millions as Well as of Two Interesting Young Persons—Some Speculation as to Probability of Another Vanderbilt Divorce

BY MARGARET WATTS DE PEYSTER. NEW YORK, April 16.—(Special Dispatch to The Bee.)—The wedding of Miss Marjorie Gould, daughter of Mr. and Mrs. George J. Gould, to Anthony Joseph Drexel, Jr., of Philadelphia and London, on Tuesday in St. Bartholomew's church, is the most important of the season for many reasons.

It is extremely rare these days when a girl of Miss Gould's status in society marries an American. The match seems to be a very happy one and their well-wishers include all of those whom we have been wont to class as the "Four Hundred."

It is estimated that Miss Gould will inherit \$20,000,000 and that Mr. Drexel will inherit \$3,000,000. They will shortly sail for England to be present at the marriage of Mr. Drexel's sister when she is wed by the Viscount Maidstone.

Mr. and Mrs. Reginald Vanderbilt have gone abroad, but only for a short visit. They will occupy a cottage at Newport this coming summer.

I am sometimes tempted in my simple fashion to wonder if Mrs. Julian Little, who was formerly Mrs. Henry Spivey Kip, will not have a hungry longing for Newport this summer.

Princess Ruspoli, who was Mrs. Jenny Berry Burton of Nashville, will not make her future home in Rome, where she has resided for the past eight years.

Mr. and Mrs. Cortland Field, Bishop sailed for Europe. As Mr. Bishop is head of the Aero club of America and the American representative in the International Federation of Aeronauts, his trip abroad will mingle both pleasure and business.

Lenox has bidden farewell to the Bishops and they will follow their beaten automobile tracks in France and Italy in a long overland continental tour.

Speaking of Mr. Bishop reminds me that Newport is going in for aviation this year. Wilbur Wright will open an aviation school in the Rhode Island resort and doubtless will have many pupils from the fashionable families gathered there.

Mrs. Russell Sage, like Mrs. E. H. Harriman, is going to devote much of her attention to business in the future. But she is going to mix business and philanthropy.

Mrs. Madeline Boriand and Clarence Pell have selected Tuesday, May 17, for their wedding. The bride is one of the three daughters of Nelson Boriand.

An ungallant New York newspaper started a crusade against Reno, Nevada.

Most of the departments of the Omaha Woman's club will complete their work for the year this week. A special meeting of the directory has been called for 2 o'clock Monday afternoon for the consideration of important business.

The current topics department will meet at 2 o'clock Tuesday afternoon and elect its officers for next year. Mr. Alfred Millard will be a speaker, his subject to be "The Future of the Woman."

The oratory department will meet Tuesday morning at 10 o'clock at the home of Mrs. D. M. Hart, 622 South Thirtieth street.

The household economics department of the Woman's club held its last meeting of the year Thursday morning and elected the following officers for the coming year.

Mrs. A. K. Gault left Friday for Washington, D. C., where she will attend the annual Continental Congress of the Daughters of the American Revolution.

DOCTORS AND DRUGGIST TREATED THEM IN VAIN

"The Cuticura Remedies are the best in the world as I know from experience. The Drexel, Gould, and other families were afflicted with a disease known as the itch, which is the most terrible disease that I know of, as it itches all through your body and makes your life an inferno."

"The doctors did their best but their remedies were of no avail whatever. Then the family tried a drug but was noted far and wide for its remarkable cure. People came to him from all parts of the country for treatment but his medicine made matters still worse, as a last resort they were advised to try the Cuticura Remedies. I am glad to tell you that after a few days' treatment with Cuticura Soap, Ointment, and Resolvent, the effect was wonderful and the result was a perfect cure in all cases."

"I may add that my three brothers, three sisters and all our children have been users of the Cuticura Remedies for fifteen or twenty years. Thomas Hugh, 1349 West Huron St., Chicago, Ill., June 28, 1909."
