Queen Quality SHOES

PRACTICAL STREET OXFORD

Four button design in Gun Metal, Calf skin. Short vamp, high toe and graceful arch—satisfies every demand of fashion.

"Queen Quality" alone is a strong attraction; a daily sale of 18,000 pairs of shoes is ample evidence of this fact. But, when you buy such shoes in an establishment where big value-giving, clean methods and careful service prevail—trading becomes a pleasure. We present this combination.

"Gas Service"

Call In Our Expert—

We have a steadily employed skilled mechanical engineer who does nothing else but advise, suggest, design and oversee the installation of industrial gas appliances.

He is ALWAYS at the service of Omaha's manufacturers.

Should any of your process involve the use of heat or power this man will be able to show you how you can profitably employ gas—where it will be a saving, where it will simplify your present fuel problems, and where and how it will increase your output and do it better than it is done now.

Gas can be adapted to any process.
