REVIEW OF STOCK MARKET

Bearish Influences Lead Unfavorable Aspect to Situation. MUCH GOLD IS GOING ABROAD. Railroads Increase Wages of Employees, but This Will Not Hinder Future Developments.

NEW YORK, April 30.—(Special Telegram)—Active, but depressed, the general tone of the stock market during the week ending today. The general bearish influences have been increasing since the general speculative situation, to some extent they have been modified by the disposition of the financial community to hold aloof for a time. Call money this week was the limit of unsettled conditions, sixty days and ninety days, 4 1/2 to 5 per cent, six months, 4 3/4 to 5 per cent.
