DEMOCRATS LACK CANDIDATE

Unable to Put Man in Field to Run for Treasurer.

OUTSIDE MAN FOR THE PLACE

Republican Aspirants for County Supervisors Are Active—J. H. Mayne Going After County Surveyor Again.

The democrats are having some trouble filling out their county slate. Up to last evening they had been unable to put their hands upon a willing candidate for the party nomination for county treasurer. At a recent conference of party leaders, it was decided to try to secure a candidate from one of the towns outside of Council Bluffs and this task was left to Al Lenoeker and John T. Hazen, who will be the democratic candidates for state representatives from Pottawattamie county.

Herman Schurz of this city, the newly appointed chairman of the democratic county central committee stated last evening that so far he had not heard from Lenoeker or Hazen. Lenoeker met with an accident Monday which confined him to the house, but word from Oakland yesterday was to the effect that he would be able to be out probably by Tuesday. He fell from a twelve-foot ladder while doing some work on his home at Oakland and although no bones were broken, he was badly bruised and shaken by the fall. "If we don't hear by Thursday that they have secured a candidate for treasurer in the east end of the county, we will have to get one in the city," said Chairman Schurz last evening.

Thomas P. Lindsay, an old-time railroad engineer, will be the democratic candidate for sheriff. His nominating petition was filed yesterday with County Auditor Jones. He is a resident of this city and lives at 1809 Fifth avenue.

Republicans Are Busy. There will be a lively scramble for the republican nominations for members of the Board of County Supervisors and the present incumbents who are seeking re-nomination will all have contests on their hands at the primaries. The latest candidate for membership on the county board is Adam Schurz of Walnut who will go before the republican primaries. He filed his nominating petition yesterday. W. C. Children of this city is also in the field for one of these nominations and filed his petition Tuesday.

J. Harley Mayne will seek a re-nomination for the office of county surveyor at the hands of the primaries. He filed his papers yesterday. E. E. Spelman of this city will be the democratic candidate. His nominating petition was filed Tuesday afternoon.

John E. Stockert filed affidavit yesterday in his candidacy for the democratic nomination for constable in Kane township. J. E. Ford filed affidavit of candidacy for the republican nomination for the same office.

Saturday is the last day on which candidates for nomination for county offices can file, so a number of filings can be looked for between now and Saturday evening.

MICHAEL GOODWIN IS DEAD

Head of Council Bluffs and Vicinity for Sixty-Three Years.

Michael Goodwin, a resident of Council Bluffs and vicinity for sixty-three years, died yesterday afternoon at 1 o'clock at his home, 180 Avenue A. He was 81 years of age and his death was due to the infirmities incident to old age. He is survived by his widow, three daughters, Mrs. W. M. Cartwright of Los Angeles, Cal.; Mrs. Thomas Carey of this city and Mrs. Milton Beckley of Garner township and two sons, M. C. Goodwin and William Goodwin of this city.

Mr. Goodwin was a native of Putnam county, Indiana. He came to Pottawattamie county in 1847 with the Mormon emigrants and settled at Reels, near Crescent. He was one of the twelve white men to make a treaty with the Indians at Bellevue concerning rights of settlement in Nebraska territory. As a young man he engaged in the business of buying stock and followed this business continuously until a few years ago.

The funeral will be held Friday afternoon at 2 o'clock from the residence of the daughter, Mrs. Thomas Carey, 302 East Broadway.

FAIRMOUNT PARK OPENS SOON

Sacred Concert Will Probably Be Means Employed to Begin Season.

Chairman Graham of the Board of Park Commissioners announced yesterday that the season at Fairmount park would be formally opened by a sacred concert on Sunday, May 15, at which time a sacred concert will be given during the afternoon by some band.

Ralph Miller has been appointed park policeman for Fairmount park and H. A. Brace for Cochran park. The officers for Bayliss and Lake View parks have not yet been appointed.

The Council Bluffs City Water Works company has presented the park board with a bill for \$654 for water furnished since January 1, 1910, from which time the company is now required to pay city taxes.

The water system in Fairmount park and the use of the city water has been discontinued.

RE-PAVING NOW TO THE PORE

Mayor Would Like All Broadway Paving by End of Week.

Mayor Maloney expects to get some definite action in the matter of repaving Broadway at an early date now and is anxious that all persons having petitions bring them to the city hall before the end of the week. The business men on Broadway, it is said, generally favor the repaving of the street from First street to Main street, if not to Sixth street.

City Engineer Rynne has been preparing a profile and estimate. Without making any deductions for crossings, etc., Mr. Rynne figures there is 14,000 square yards of granite paving between First street and the Purgator bridge, as has been suggested.

The cost of taking up the granite blocks and repaving the street with Purgator brick blocks on a concrete base it is estimated to be in the neighborhood of about \$150,000.

The city council yesterday assented to the abutting property the cost of the recently completed paving on Nicholas street. The total cost of the improvement is \$6,132, of which the city will probably have to pay about \$300.

The matter of grading North avenue was referred to a special committee, consisting of Councilmen Harding, Minnick and Evans.

The council did not meet as a committee of the whole, as arranged last Monday night, and adjourned to next Monday evening.

Council Bluffs

Mayor Maloney Has Difficult Matter in Hand

Selection of New Chief Not Easy Task—Those He Wants Not Anxious to Serve.

Deputy City Marshal Charles W. Crum is still acting chief of police and the appointment of a successor to Major George H. Richmond is still up in the air. The truth of the matter is that Mayor Thomas Maloney is finding it somewhat difficult to secure a competent person, willing to shoulder the responsibilities of the office. With the "reformers" watching at every corner, the position, it is figured, will not be a bed of roses for the next chief of police.

Mayor Maloney thought he had a chief picked out yesterday in the person of Mark Goodwin, a former sheriff, but Mr. Goodwin after taking the offer under consideration over Tuesday night, decided yesterday that he could not afford to give up his present business prospects for the position.

John P. Tinley, an attorney, was suggested yesterday and it is understood that Mayor Maloney offered him the appointment. Mr. Tinley, however, will be a candidate for the democratic nomination for Judge of the superior court and consequently declined the mayor's offer.

The name of Clay Platter, a well known traveling salesman was mentioned last evening in connection with the position, but Mr. Platter's friends, he being out of the city, expressed the opinion that he would not consider for a moment resigning his present position for that of chief of police.

Tim Flood, who last week resigned the position of street commissioner is a candidate for the position and his friends were working hard yesterday in his behalf.

It is generally understood that a civilian will be appointed by the mayor and not a member of the present police force.

"There is no need of any violent hurry," said Mayor Maloney last evening. "The city can get along all right for a few days without a chief of police. As soon as I decide on a man I will announce the appointment and until I do I wish the dear people would leave me alone. Why they even wake me up after I have gone to sleep to enquire 'Have you appointed a chief of police yet?' All I can answer for the present is, 'Not yet, but soon.'"

Byers Selects Headquarters Here

Attorney General Will Stay in Enemy's Camp While in This Part of District.

Attorney General H. W. Byers has selected Council Bluffs as his headquarters while making his congressional campaign in this section of the district. He expects to campaign through the several counties embraced in the Ninth congressional district before the primaries on June 7.

Mr. Byers' campaign organization is said to be now practically complete and a large force of clerks is at work in the headquarters at the corner of Pearl street and First avenue sending out campaign literature.
