HELP WANTED—MALE

Agents, Salesmen and Solicitors—Continued.

Wanted
Expert Salesmen

I want two or three fast, energetic, business producing salesmen — men who have demonstrated that they are capable salesmen by being a success today in their present line. It doesn't matter what you're selling now if you are bringing in the orders I want to talk with you.

When I tell you that you can and will make $5,000 a year with my company, right here in Omaha, investigate it—see how it's to be done—don't say, "Oh, pshaw! I'm a $25.00 a week man, I won't do." Come and see me, I'll make the other sort of you. Young men in other cities make $100 and even $200 weekly and it isn't considered remarkable. The chance is here now for two or three live men to step into their class.

The work will be selling a small weekly payment land proposition planned on endowment policy lines, making the most remarkable selling offer ever conceived. Put the proposition before a man and he simply has to buy. You'll buy it yourself before you get through. I did and I'm going to buy more.

If you've got the grit, determination and steam to make good at anything you can make more of this. You can try yourself out at it without throwing up your present position. See me in Room 216 Henshaw Hotel.

Raise the Standard
MOSHER & LAMPMAN

are doing more to RAISE THE STANDARD OF BUSINESS EDUCATION than any other school in the middle-west.

MOSHER & LAMPMAN teach the 20th Century System of Bookkeeping.

The 20th CENTURY SYSTEM is the most practical. It unfolds to the student bookkeeping JUST AS IT IS PRACTICED IN THE LARGEST AND BEST REGULATED BUSINESS HOUSES.

MOSHER & LAMPMAN teach the Cody System of letter writing. The Cody System is generally conceded to be the most practical system published. By the use of it Mosher & Lampman teach their students to write letters that "pull"—that get business.

The Mosher System is the most RAPID AND LEGIBLE SYSTEM IN THE WORLD. Students who write it go direct from the school to the best paying positions and make good from the start.

The Mosher System is the light line system that is adapted to both amanuensis work and court reporting.

As an Institute of Penmanship THE MOSHER-LAMPMAN COLLEGE HAS NO EQUAL IN THE WEST AND NO SUPERIOR IN THE UNITED STATES. The pen work of the Mosher & Lampman students is far superior to the work done by the teachers of any other business college in Nebraska. Send for free specimen of penmanship.

In plain primer English—You've got to get started R-I-G-H-T!

And that business college is

Boyles College

In fact—to attend Boyles College positively means that you will be started right—that your feet will be firmly, securely placed on the rungs of the ladder of success. It positively means that you will share in the prestige of Boyles College—that you will share in the great benefit of the big business men's backing of Boyles College, and that has made it what it is—the largest business college in all the United States—west of Chicago.

To be able to say, "I am a Boyles College graduate," means to be able to hold your head higher—to ask a higher salary—to reach a higher success—goal in the business world!

Yes it does! We can prove it. You can prove it yourself if you'll just ask any Boyles College graduate or any big Omaha business man.
