JOHN T. MULQUEEN PRESIDES

R. H. Huntington Responds to Address of Welcome—Julius Kepner Member of Executive Committee.

The members of the Council Bluffs Retail Grocers' and Butchers' association, who attended the annual meeting of the Iowa Retail Merchants' association in Burlington yesterday morning, somewhat weary but well satisfied with their trip. Accompanied as they were by a band and being over thirty in number, the members of the Council Bluffs delegation were the "big noise" in Burlington, where they were royally entertained.

John T. Mulqueen of this city, the retiring president of the state association, who had the distinction of serving two terms, presided over the sessions, while R. H. Huntington, secretary of the Council Bluffs association, was called on to respond to the address of welcome on the opening day of the convention. Julius Kepner of this city was also honored by being elected a member of the executive committee.

Wednesday several of the Bluffs delegates made a side trip in automobile to Fort Madison and were shown through the penitentiary.

The delegation from Council Bluffs included: John T. Mulqueen, R. H. Huntington, Page E. Morrison, E. P. A. Metzger, O. M. Nelson, H. J. Toller, H. C. Peterson, Eugene Head, H. L. Koet, Gus Hinrichs, W. A. Williams, Leo Olson, Charles Jensen, E. D. Cummings, Harry Hissen, Hans Heim, William Walter, L. A. Sorenson, J. E. Barrett, Frank Girard, E. A. Countryman, W. A. MULLIGAN SUIT AGAINST RAILROAD NOW IN COURT

Lineman Seeks to Recover \$50,000 for Injuries Received at Union Pacific Shops.

The trial of the personal injury damage suit in which John Mulligan, a lineman, is seeking to recover \$50,000 damages from the Union Pacific railroad, was begun in the district court yesterday morning before Judge O. D. Wheeler and a jury.

The injuries for which Mulligan is seeking to recover damages were received last December while working on the trolley wiring which furnishes power to operate the transfer table at the Union Pacific shops in Omaha. An arm which reached out from an iron upright gave way while Mulligan was working on it and he was precipitated a distance of twenty-eight feet to the bottom of the turntable pit. He suffered fractures of both arms and one leg was so badly injured that amputation was necessary. On behalf of the plaintiff, it is alleged that he was ordered out on the arm when it was not of sufficient strength to bear his weight and that he did not have any means of knowing its weakness.

A peculiar feature of the case is that both the plaintiff and the defendant railroad were working on it and he was precipitated a distance of twenty-eight feet to the bottom of the turntable pit. He suffered fractures of both arms and one leg was so badly injured that amputation was necessary. On behalf of the plaintiff, it is alleged that he was ordered out on the arm when it was not of sufficient strength to bear his weight and that he did not have any means of knowing its weakness.

The action is brought here to prevent the railroad company from having it transferred to the federal court, this being impossible where both parties are non-residents of the state. Had the action been brought in Omaha the railroad company could have had it transferred to the United States court. The Iowa court is able to obtain jurisdiction of the case for the reason that the Union Pacific has three miles of track in Pottawattamie county and has an agent in Council Bluffs.

The plaintiff is represented by Constantine J. Smyth of Omaha and John M. Galvin of this city, while Attorney Crocker of Omaha and George S. Wright of this city appear for the railroad.

NEW OIL COMPANY READY

Knoxville, Iowa, Men Arranging for Its Establishment in This City.

Another independent oil company will soon be operating in Council Bluffs. R. M. Roberts of Knoxville, Ia., is in the city making arrangements for the establishment of a branch office of the S. L. Cullen Oil company. The company has purchased a tract of land at the corner of Eighth street and Eleventh avenue as a site for its office building and storage tanks. Four large tanks with a capacity of 50,000 gallons, Mr. Roberts stated yesterday, would be erected here.

The Cullen company is one of the oldest independent oil concerns in Iowa and, next to the Standard, has the largest number of branch stations in the state. Its headquarters are in Knoxville. Mr. Roberts is superintendent of the company and will take charge of the Council Bluffs branch as soon as it is ready to do business, which it is expected will be some time in the early part of June. The company will do a strictly wholesale business. The equipment will be shipped from Knoxville as soon as the buildings here are ready for occupancy.

WOMEN WORKING FOR Y. W. C. A.

Meeting of General Committee Held to Further Plans.

At a meeting of the general committee appointed for the purpose of effecting the organization of a Young Woman's Christian association in Council Bluffs, Mrs. Walter I. Smith resigned her position as chairman and Mrs. W. H. Killpack was elected to fill the vacancy. With the reorganization of the committee Mrs. J. Harvey Pace was elected secretary.

While the committee has so far not accomplished anything very definite, the members are hopeful of bringing the proposition to a successful conclusion. Much of the preliminary work has been done and it is expected that a permanent organization will be formed within a few weeks.

Mrs. Killpack is anxious that the committee should meet the latter part of next week, at which time she requests that the organizations that were asked to name representatives on the general committee and have not yet done so report to the secretary.

Bogus Check Man at Ida Grove.

IDA GROVE, Ia., May 1.—(Special.)—A bogus check man, who is evidently working the hotels of northwest Iowa, victimized the Ferguson hotel at Ida Grove and the Commercial House at Battle Creek out of \$5 each, presenting checks on the Security National bank of Kansas City, which came back marked "no funds." The checks purported to be made out by J. H. Benson & Co., and were so stamped with a rubber stamp and counterigned. They were made out to F. R. Henderson and so endorsed by him. At Ida Grove he represented to be selling automobile oils and supplies, while at Battle Creek he said he was selling machinery. The county attorney has the checks and is looking for Henderson.

New Interurban Route.

LOGAN, Ia., May 1.—(Special.)—According to reliable men of Magnolia, Mr. Miller, promoter of the proposed interurban line to connect Omaha and Sioux City, via Beebeetown, Logan, Magnolia and Little Sioux stated yesterday at the Magnolia interurban meeting that when constructed, the interurban line would not run through Logan as formerly contemplated, but from Beebeetown to Missouri Valley and thence to Magnolia. The proposed change to omit Logan is not regarded very highly by men of either town, but the proposition to connect Logan and Magnolia by an electrical line is regarded with favor by men of each town.

Iowa Minister to Superior.

FONDA, Ia. (Special.)—Rev. Thomas A. Stamp has tendered his resignation as pastor of the Presbyterian church here to accept a call from the First Presbyterian church of Superior, Neb., a church of over 300 members in a town of a little less than 5,000 people. Rev. Mr. Stamp has "made good" here and while this city regrets exceedingly to lose him it is well pleased with his merited promotion. His successor here has not yet been chosen.

Iowa News Notes.

IDA GROVE—Samuel H. Osgood and brother, James W. Osgood, sold the Osgood home to Noah Williams and sold their farm to Henning Schmidt, the farm bringing an even \$25,000. The Osgoods recently bought a 2,000-acre plantation in Arkansas and will move there to live.

IDA GROVE—Bert Helmman, the 11-year-old son of Mr. and Mrs. John Helmman, who lives between here and Holstein, was shot in the eye and it was necessary to remove the eyeball. He and his brother were shooting at targets with a small rifle and struck a shotgun shell in a tree, it fell to shoot at. The brother hit and exploded the shell and it blew back, striking John in the eye.

MARSHALLTOWN—At the annual meeting of the Western Grocer company, held here Thursday, the sale of \$11,100 of preferred stock was authorized. This additional issue brings the total of outstanding stock up to \$2,000,000. The greater part of the money received from the sale of stock is to be used to develop the western Grocer Company mills in this city. F. C. Letts of Chicago was re-elected president.

PAITFIELD—Seeking damages of \$50,000 for the death of their parents, Mr. and Mrs. A. X. Brown, and two sisters, all of Waterloo, Ia., who were killed in the Rock Island wreck near Green Mountain on March 21, the only surviving members of the family, Misses Vera and Brown, who are at present here, will soon file suit against the railroad company. A claim adjuster for the road offered the girls \$5,000 in settlement of their claim, but, acting under the advice of their attorney, the girls, the oldest of whom is 15, refused.
