ROURKES WIN ANOTHER GAME

Set Mr. Cooley and His Crew Back for Second One of Series.

WIN WITH BUT ONE SAFE HIT

Hanson Pitches a Steady Game and Pulls Himself Out of Several Hard Situations-Welch Hits a Homer.

Omaha won the second game from the Colleyites by a score of 5 to 3, even though Kauffman, Topeka's pitcher, held the Rourkes down to one hit.

The one hit that was made was a home run in the eighth by Welch with no one on bases. Before this the Topeka twirler was unsolvable and pitched tight ball. After Welch lifted one over the fence a little nervousness was displayed by the visitors and before the inning was over Omaha had ellpped over three more courters. Up to this time there was nothing doing in the knocking line for Omaha, but one cun was scored in the third when Kahl made a mess of Hanson's grounder. In the winning inning, Harry Welch started the rally by slamming one over the left field fence. Captain Schipke was hit. He scored on the poor handling of Cadman's grounder to Kauffman, while Cad scurried around to the third station. Hanson knocked one more to Kauffman and he booted again. Shotton went to first on a base on balls. Fox hit a fly to left field and Cadman scored, while Shotton went to second. King hit one to Landreth and Hanson went over the pan on the play, making the fourth tally,

Hanson is Stendy. Hanson pitched a steady game and won the admiration of the fans by his coolness in getting away with the hard aftuations. He struck out five men and issued transportation to six.

Topeka players made their runs in the fifth after four innings of tight base ball, in which they could not touch the blonde youth from the Bluffs. The start was made by Boles, who drew a base on balls and came home on Kauffman's two-bagger after Kahl went out to first. Wooley got a two-base hit and scored Kauffman. Wooley later went home when Fox booted Retily's grounder.

After the fifth inning the Topeka players could not connect with Hanson's benders successfully. In the ninth it looked like something might be started when Kunkle, the first man up, drew a pass and went to second on a wild pitch. Pa pulled the recruit out, however, and sent Patton, after Hanson had thrown Boles out at first on an easy grounder, and had given Kahl a base on balls. Kerns was sent in to bat for Kauffman and he knocked a swift liner to Captain Schipke. who nabbed it and touched third, making

Kauffman had but two strike-outs, but the Rourkes did not seem to be able to do anything with his delivery and hit mostly to the fielders, who accepted all chances without an error.

LINCOLN, Neb., May II.—in a long drawn-out game today. Lincoln exactly reversed the result of yesterday, winning from Denver by a score of 5 to 3. Farthing was wild and hit hard at times, but settled down whenever in danger. The Lincolns got their runs by slamming the ball, and the support given Hageriman was not the best. Gagnier did some sensational fielding, figuring in three double plays and having fifteen chances. Jude, Kelty and Cockings were the hard bitters of the day.
