and additional demoralization was said to be in evidence at the principal Rus-sian wheak, centars. Eize undertone of the market especially sarily in the day was unmistakably strong, and many of the largest sellers of wheat yesterday were among the buyers today. The fact was noted to follow suit. Telegrams from the northwest, and that others were ex-pecied to follow suit. Telegrams from age by insect and declaring that condi-tions do not warrant expectation of more than 12,000,000 bushels. September wheat sold between \$1,01% and \$10%, closing at unchanged to %c net advanced to bushels. September wheat sold between \$1,01% and \$10%, closing at anchange to %c net advanced to 000,600 bushels.
