NEW LOCATION HANDIER

Dr. Theodore Milen of the Milen Medical company has moved from 43 Range Building to 315 South Sixteenth. He is now located in the building formerly occupied by the Hanson cafe. It is just one-half block south of Sixteenth and Farnam streets, on the east side of the street. The new offices and reception room are much larger and Dr. Milen will be better equipped than ever to care for those suffering with Rheumatism, Gout, Stomach, Glands, Epilepsy, Paralysis, Catarrh, diseases of the Liver, Kidneys, Stomach, Blood, Bowels, Heart and other chronic and nervous ailments of men and women. The same fair, liberal terms and efficient treatment which has built up Dr. Milen's enormous practice will be accorded all patients. Dr. Milen makes no charge for consultation and examination and accepts no cases which he does not feel confident he can cure. This eminent specialist has spent thirty years in the treatment and cure of chronic diseases only. The hundreds of people whom he has cured, oftentimes after other physicians had failed, are sending their friends and neighbors so that Dr. Milen and his efficient aids are among the busiest people in Omaha. If you are in need of the services of a specialist it will pay you to call on Dr. Milen. Remember the new address—315 South Sixteenth street, Hanson building.
