HOLLY WINS WITH COMET BALL

Uses His New Idea in Tight Places to Blank the Saints.

LONG ROW OF GOOSE EGGS

Comedy of Errors and Misplays Permits the Rourke Tribe to Pile Up Eleven Scores.

Pa Rourkes pets jumped all over Jack Holland's Winnebago Indian pitcher, Johnson, Tuesday afternoon at the lot and slugged out thirteen hits, which added to some dumb playing on the part of the Saints netted eleven counters.

Hollenbeck, who was on the rubber for the Rourkes was real right and struck out twelve batters. He also kept the visitors' hits separated to such an extent that a big row of goose eggs was their portion.

The game was more interesting to witness than the score would indicate. It was full of action all the time. The Rourkes were especially fast in the field and played an errorless game.

Omaha got a running start and at no stage of the game was there any danger of the Rourkes getting the short end.

In the first after Shotton was down on a fly to short Fox reached first on Cochan's error. King hit a single, advancing Fox. Kane laid one down to third and McNeill tagged Fox at the bag, while King went to second. Powell dropped Corridon's fly to left and King brought in the first run. Corridon stole second. Welch drove a hot one to left field for two bases and Kane and Corridon scored. In the next inning Omaha got one run. Cadman fanned. Hollenbeck got a single. Shotton slugged a dandy over against the right field fence which scored Holly and netted him three bags. With this lead Omaha felt encouraged and went after the game with a lot of vim. In the third and fourth a score was made in each session. A recess was taken for two innings and then another was made.

Eighth is Funny.

The eighth was the funny period of the game. King started off with a single to center and went to second on Kane's out at first. Corridon singled and stole second. Welch flew out to center field. Schipke hit one to McNeill, who did a juggling act, and Corridon scampered across the plate like a scared rabbit. Schipke stole second. Cadman knocked a popup back of second and Jones went after it. After running around in circles in an endeavor to guess where the ball would land, Jones muffed it. Schipke scored and Cadman kept running. By the time Jones had ascertained the exact location of the elusive horsehide Cadman was tearing for third. Jones picked up the ball and slammed it a few feet over McNeill's head. Cadman, as soon as he saw the wild throw, never stopped, but set sail for the plate and landed in plenty of time, making the circuit without a stop, on a play that should have been an out.

At one time it appeared as though St. Joseph might score, but when the danger was the greatest Holly got his comet ball to working and saved himself. In the seventh, which, by the was, is the inning that St. Joseph has done the most damage in this series, Clark flew out to King. Corhan hit a single and went to second when McNeill duplicated the stunt. Shea hit one to Cap Schipke, who put Corhan one the bench. Holly wavered for a moment when Big Chief Jonhson loomed up at the plate and gave him a walk. This filled the bases and Mr. Powell, who has done consistent hitting in the series with the Rourkes, stalked to the plate. Holly got two strikes, and three balls on him and the fans assumed a tense attitude. The blonde youth with the sidewheel flipper sorted out his collection of foolers and chose another comet ball, which he shot at the plate. Powell swung and Holly's comet won, for all the batter could do was let his bat pass through the tail. After this little slip Duke pitched tight ball.

Wednesday the Rourkes will battle with the Grizzlies for the first time this season on the home grounds.

SIOUX CITY DRAWS OUT OF HOLE

After Presenting Seven Runs to Denver, Indians Win.

SIOUX CITY, May 17.—Handicapped by a lead of seven runs, which Sioux City presented to Denver in the first three innings of the game today, the locals went out and won, after bombarding three pitchers, 9 to 7. Burnett twirled the first three innings for the Sioux. He was hit hard, and errors behind him allowed the big lead. Clark was substituted in the fourth and shut the Grizzlies out the balance of the game. Miller started the run-getting for the locals with a homer in the fourth. Three more came over in the fifth on a double, two singles and two errors. In the seventh Rick Adams replaced Higgins, and before the side was retired Olmstead was called on and Adams was sent to the bench. Miller's single off the Chicago lad gave the locals their fourth run of the inning enough to win. Both teams put up a weird fielding exhibition. Score:

LINCOLN WINS IN THE TENTH

Bunching of Hits on Shackleford Brings Victory.

LINCOLN, May 17.—Lincoln won today's game, a ten-inning affair, by bunching hits on Shackleford in two innings. The locals had a good lead, with young McGrath going well, up to the eighth inning, when two bases on balls, a double and single sent in one run and left two men on bases. Then he was pulled and Knapp substituted, but the hitting continued, and two more runs tied up the score. Neither side was able to get a man around in the ninth, but in the tenth the Lincoln batted out a victory. Shackleford was hit hard, but with good support the result might have been different. POLICE HALT BOXING MATCH

Twin Sullivan and Jimmy Clabby Prevented from Fighting.

NEW YORK, May 17.—Mike (Twin) Sullivan of Boston and Jimmy Clabby of Milwaukee refused to go on tonight for a ten-round bout at the Marathon Athletic club at Brooklyn. They had a good reason. Early in the evening the police entered the club house armed with seven warrants for the owners and officers of the club and for Jack (Twin) Sullivan, Mike's brother; Al Benedict, with whom Jack fought last week; Tommy West, who acted as second for Jack, and Billy Madden, who was in Benedict's corner last week. Only the owners and officers of the club were arrested. The warrants charged the officers of the club with selling tickets to a prize fight in violation of the law and charged the principals and seconds, respectively, of prize fighting and of aiding and abetting a prize fight.

WAGNER INJURES SHOULDER

Premier Batsman of Pirates Hurts Himself While Sliding.

PITTSBURG, May 17.—Captain Fred Clark of the Pittsburg team tonight issued a statement as to the cause and extent of Hans Wagner's injuries, which he said was warranted by many rumors and false reports in the matter.

"In the last game here with Brooklyn," said Clark, "Wagner slid into third base and his shoulder came in contact with McElvech's foot. The top of the shoulder was bruised and the hurt is a painful one. A slight cold aggravated the soreness and stiffened the muscles. Wagner wanted to play off fearing he would not do himself justice, but I prevailed on him to remain at his post. Then he and Miller cooked up the exchange of positions to make Wagner's work lighter."

Rumors that Big Mill Will Not Be at Emeryville

President of Race Track Company Requests that Fight Be Held Elsewhere.

SAN FRANCISCO, May 17.—While none of the Alameda county officials will say positively that they will try to stop the Jeffries-Johnson fight and neither Rickard nor Gleason will admit that they have changed their plans, there is a well grounded belief in sporting circles here that the big battle will not be held in the "Emeryville race course."

OAKLAND, Cal., May 17.—Thomas H. Williams, president of the New California Jockey club, which controls the race track at Emeryville, where it was proposed to hold the Jeffries-Johnson fight, explained today the report that he had withdrawn his permission to hold the battle there on July 4.

He said that when Tex Rickard first asked permission to use the race track the business men and prominent people of Alameda county had urged him to grant the request. Since then there had been a change in sentiment and he had notified Rickard that he would prefer that the fight be not given at Emeryville, but that he did not cancel his permission.
