#### NEW SUBSTATION LOCATED

Directly Across the Tenth Street Viaduct from the Union Station.

THREE STORIES IN HEIGHT

Top Story for Current Postoffice Work, Basement for Rathroad Mail Service and Second for Carriers.

The establishment of the new postoffice substation in the wholesale district has been practically decided upon, with its location immediately across Tenth street from the Union station. The new building will be a three-story structure of brick and stone to cost about \$25,000 and will be constructed by the railroad companies controlling the Union station and leased to the government for exclusively postoffice

The third floor will be above the viaduct level and will constitute the post office proper, for the sale of stamps, money orders and current postoffice work. The second floor will be for the accommodation of the carriers and the handling of the local mails for that immediate locality, and the basement floor will be given over to the railway mail service and reception of mails from the general transfer service of the railroads handling the mails at the Union station.

The establishment of this substation is wholly as an independent, local station for the wholesale and South Tenth street districts. It will be given every modern equipment for postoffice service and will become one of the most important substations of the city.

### Nash Prepares His Proposition

Head of Electric Light Company to Submit Form for New Franchise.

President Nash, Attorney Moraman and the board of directors of the Omaha Electric Light and Power company have not yet reached the point where they can announce the form of the proposal the city council expects from them on the new franchise they will ask from the city. The company's proposition may possibly be presented to the committee of the whole next Monday afternoon, but this is hardly looked for.

Ordinarily the procedure would be to introduce an oresnance directly in the council, but in view of the great importance of the questions involved, councilmen expect the whole matter will first be threshed out in committee of the whole in order that an agreement may be reached as to the exact terms of the ordinance that will meet with official approval.

#### DENTISTS' CONVENTION COMPLETES ITS WORK

Dr. Barber of Omaha the Next President and Lincoln Next Meeting Place.

Thursday morning's session of the Nebraska State Dental society was devoted to clinics and a short session of the executive council. During the afternoon session Dr. G. M. Mullen of Creighton read a paper on "Business." There was a lecture on "Necrosis of the Maxillary Bone," by Dr. F. M. Barns of Omaha, and discussions by the following: Dr. T. B. Heckert, Wayne; Dr. C. F. Ladd, Linco;n; Dr. J. F. Nelson, Superior; Dr. E. R. Truell, ... ncoin; Dr. W. H. Sherraden, Omaha. At 2:30 o'clock the delegates at tended the Symphony orchestra concert at the Brandels theater. This marked the closing of the convention.

#### WANTS TO LOCATE ESTATE

Wann Says Brother Left \$75,000 or So, but County Court Has No Record of Such Property.

Special Officer Dan Luhey, whose func tions are to locate lost, missing, kidnaped and dead persons, has a chance to get a reward if he finds the estate of Tom Wilson. Mrs. Ealine Wilson Seal has written asking for information. The letter explains that her brother died

in Omaha at the age of 68 years about two weeks ugo, and left an estate amounting to \$50,000 or \$75,000. "I can prove I am the only surviving relative, and will reward you well if you find Mr. Wilson's estate," Mrs.

The High Cost of Living Increases the price of many necessities without improving the quality. Honey and Tar maintains its high standard of excellence and its great curative qualtties without any increase in cost. It is the best remedy for coughs, colds, croup, whooping cough and all ailments of the throat, chest and lungs. The genuine is in a yellow package. Refuse substitutes. For sale by all druggists.

#### The Husband Says

I never made a better investment for my home.

My wife tells me it's a most wonderful kind of a machine that keeps the house spotless, cuts her work in two and cleans positively without raising a speck of dust.

She looks better, too, and it's a safe bet that working in dust is mighty bad for the lungs.

I'm glad to have it, for her sake
