INJURED STILL IN DEBRIS Search for Victims of Explosion at Pina Del Rio Continues.

HAVANA, May 19.—Until the ruins have been more thoroughly examined, it will be known positively how many lives were lost when the Rural Guards' barracks in the city of Pinar del Rio was demolished by an explosion of dynamite late yesterday.

FIFTY DEAD, HUNDRED INJURED Ton and a Half of Dynamite Exploded and Inhabitants Think that End of the World is at Hand.

There is reason, however, for the hope that the fatalities did not exceed fifty. The wounded will number more than 100, it is believed. It is almost certain that the explosion resulted from the accidental fall of a case of dynamite from the hands of an employe of the public works department, who with others was engaged in loading on wagons several cases of the explosive, which were to be transferred from the barracks to the government magazine in the city.

INJURED STILL IN DEBRIS Many Injured are Believed to be Still Penned Under the Debris.

Work of extricating the victims was continued throughout the night by torchlight. Among the bodies recovered were those of Captain Alfredo Ravena of the Rural Guards, his wife and three children. With the exception of a daughter, Gratiela, the whole family perished with the destruction of their home.

THIRTY THOUSAND DOLLARS STOLEN Three Packages Containing Cash Taken from Railroad Station at Oil City, Pa.

OIL CITY, Pa., May 19.—Three packages of money, containing \$32,024 were stolen from the Pennsylvania depot here at 3:30 o'clock this morning, while John J. Truby, the station agent, was loading baggage onto a Buffalo bound train. The money was being shipped by the Adams Express company to Philadelphia.

CHICAGO, May 19.—Stephen Zacak, 34 years old, who yesterday after fifty-two hours' almost continuous questioning during which, it is alleged, he was not permitted to sleep, confessed to the murder of a policeman, committed suicide today. The alleged slayer hanged himself with a handkerchief while in his cell at the stock yards police station. The patrolman, said to have been killed by him, met death at attempting to arrest robbers plundering a freight car. The ordeal to which Zacak was subjected and the shooting of two men yesterday, who did not halt at the command of detectives not in uniform, have aroused much comment as to police methods in this city.

CHICAGO SUES TO RECOVER LAKE FRONT City Seeks Possession of Strip Four Miles Long Worth Many Millions.

CHICAGO, May 19.—Litigation involving many millions of dollars in lake front lands, and considered by the plaintiffs the most important ever entered into by this municipality, was begun today in the filing of a suit by the city against occupants of the land.

TIMES ARE OUT OF JOINT Moderator Barkley, Opens Presbyterian Assembly with Scathing Remarks.

ATLANTIC CITY, N. J., May 19.—"I cannot be a pessimist while God is in his heaven; but I declare to you that, discredit the mockers and the mock reformers as we will, the times are out of joint," said Rev. Dr. James Barkley of Detroit today, in his sermon opening the 123d general assembly of the Presbyterian church. "Twin sins that threaten the very existence of this Christian nation are the vulgar race for gain and the rotting sin of social vices," said the speaker.
