Steel Shod Shoes For Ginger Boys

A real live boy, and who wants a dead one, can wear out more ordinary shoes in a year than the balance of the family; but if you shoe him with our "Steel Shod" he's got to go livelier than ever if he can wear out more than his dad.

You might save 25c, maybe 50c at the start if you didn't get "Steel Shod," but you would be a big loser in the end.

We guarantee these "Steel Shod" Shoes to outwear any two pair of ordinary kind, and you know our guarantee is good.
