BRUCKER WILL HEAD COUNCIL

Oldest of Aldermen to Be Successor to Burmester.

DAVIS FOR VICE PRESIDENT

Young Republican from Twelfth Ward Stated for Election—Schedule Made Up by Combination of Last Year.

Unless present plans miscarry Councilman Goodley Brucker will be chosen president of the Omaha city council for the ensuing year and Councilman Charles M. Davis will be elected vice president. Mr. Brucker is a democrat and represents the Fifth ward. Mr. Davis is a republican and represents the Twelfth ward. He is now absent in California on his honeymoon. Brucker is the oldest member of the council in point of years and Davis the youngest. The charter provides that the city clerk shall call the council to order and the body shall then proceed to organize by the election of a president and vice president. There will be no other names presented than the two mentioned, having been agreed on by the six republicans and three of the democrats, Brucker, Johnson and Sheldon. This was the combination that elected President Burmester and will next year elect some other republican for the last year of the present council. As Mayor Dahlman will be out of the city a good part of the summer making his campaign for the democratic gubernatorial nomination, Councilman Brucker will put in a good share of his time as acting mayor. The only changes in the council committees expected through the change of presiding officers is that President Burmester will take the place of Councilman Brucker on railways and viaducts, of which he is chairman, and on sidewalks, crosswalks and bridges. As president of the council, Brucker will probably take Burmester's place on the committee on judiciary.

HILL SHORTENS HIS LINE

Will Save Sixty Miles Into the Big Horn Basin.

TO SPEND OVER MILLION DOLLARS

Darius Miller, President of Burlington, Now in the Big Horn Basin with G. W. Holdrege, General Manager. In order to shorten the route from Billings to the Big Horn basin the Burlington road is planning to expend approximately \$1,000,000 by building a new line from Scribner to Fromberg and tearing up the present line between Scribner and Toluca. Darius Miller, president of the road, is at present in the Big Horn basin, in company with George W. Holdrege, general manager, and the new assistant general manager, H. J. Horn. The decision to remodel the Burlington map came after the officials visited the places interested and saw how the land lay. The proposed change will shorten the line from Billings to the Big Horn basin by about sixty miles. The old line between Scribner and Toluca will be torn up, as it has been judged a roundabout route to Billings. The new plan will be to connect with the Northern Pacific at Fromberg, making this the direct transcontinental route to the northwest being built through the Big Horn basin. At present the road is under construction as far as Powder river, where the Northwestern is used to Guernsey. Eventually the Burlington will have its own road from Omaha to Fromberg, Mont. When you want what you want when you want it, and want it in a hurry, advertise for it in The Bee. Building Permits. William Mevatis, 2907 Camden avenue, frame, \$1,500; Dr. R. D. Mason, Forty-first and Corby, \$1,600; Lloyd D. Willie, 1126 Park avenue, brick apartment, \$14,000; Mrs. T. O. Starr, 2901 South Eighteenth, frame, \$2,000.

From Greece to Defend Brother

Kris Masourides in Omaha to Help in Trial of South Omaha Slayer.

Kris Masourides, brother of the man who shot Officer Edward Lowry in South Omaha and arrived in Omaha Friday to help in the murder trial which will begin Monday in district court. Kris Masourides has traveled all the way from a little village near Athens in Greece, his expenses having been in part defrayed by his fellow townsmen. He is more hopeful of a favorable outcome of the new trial than is the prisoner, whose attitude is one of passive resignation to what the fates may have in store for him. The hanging verdict which the jury brought in just a year ago in district court seems to result in the dispiritment of the Greek whose affray with the officer resulted in the South Omaha riots in February of 1909. Kris Masourides, after arrival here, first visited his brother in jail and then had a long talk with J. M. Macfarland and James Rait of counsel for the Greek. Since then he had been helping all he can to find desired witnesses for the trial are being made in the office of the county attorney and three more witnesses were subpoenaed Saturday. These are Dr. T. C. Little and Deputy Sheriffs Thompson and Foster. Speculation attaches to the part which Lillian Hixson will play in the second trial. She was put on the stand by the prosecution at the first hearing and her testimony later impeached in part by her statement made to the county attorney a day or two following the shooting. In the statement to the official she swore that the Greek fired first, on the stand she intimated that it was the other way. It is declared that a strenuous effort will be made this time as at the first trial by the prosecution to secure a verdict of hanging.

Bennie Thomas; Can You Beat It?

After Being Sentenced to Penitentiary He and Pal Rob Office of Sheriff.

Men in the sheriff's office have discovered why Bennie Thomas and John Nolin went smiling out of the office after being sentenced to four years each in the penitentiary. The youths were left alone in an inner room while the patrol automobile was awaited. Saturday deputy sheriffs discovered that a desk in the room had been ransacked and a pack of playing cards and other trifles had been taken. JOSEPH L. GARLOW IS DEAD Prominent Stockman of South Omaha Suddenly Stricken from Heart Trouble—Ailing Some Time. Joseph L. Garlow, a prominent stockman, retired, died Saturday morning at 9:30 of heart trouble, falling suddenly ill upon the streets at Twenty-third and I, near the Christian church. He was seen by the passing citizens and carried into the home of Mrs. C. D. Wilson, 237 I street, where Dr. C. M. Schindel was hastily summoned. Nothing could be done to relieve the severe syncope of the heart and he died soon after the arrival of the doctor. Mr. Garlow was 66 years old and had been in business in South Omaha for many years. Early in his life in the city he was a prominent and prosperous stockman at the yards. About five years ago he retired from active business in that direction. Later for a short time he engaged in the real estate and coal business in the offices formerly occupied by Christie Bros. Later, with his son Herbert Garlow, he conducted a pool hall, the Brunswick, at Twenty-fourth and M streets. Mr. Garlow had been living with one of his daughters, Mrs. Joe Walker, at Twenty-first and I streets. He had been ailing for more than a year, and it was evident

to his friends that he was suffering from the disease which finally claimed him. He was a robust man a year ago, but of late had been failing. His sons are Herbert, Samuel and Fred H. Garlow. The latter is at North Platte at the Scouts' rest ranch. He married Irma, a daughter of W. F. Cody, three years ago. Mr. Garlow's daughters are Mrs. Joe Walker and Mrs. N. R. Bryson. With the exception of Fred H. Garlow, all live in South Omaha. Funeral arrangements have not yet been made, and it is not determined that an inquest shall be necessary.

Woman's Power Over Man. Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit. IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL. Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.
