a God Send

Every Man Addicted To The Drinl Habit Should Take The Neal Three Day Cure.

State Senator James E. Bruce, Atlantic, lows, received a letter from a cured

patient who said: "The Neal is a God send to any one addicted to the drink habit. Since taking

the home.

No Cure, No Pay.

It is the moral duty which every person addicted to the drink habit owes to his family, relatives, friends, society and the public, also everyone who is interested in or knows of one who is addicted to the drink habit, to call upon, write or 'phone the Neal Cure today for free coples or their guaranteed Bond and Contract, booklet, testimoniais, endorsements and bank references, which will be cheerfully furnished. The Neal Cure Institute, O. B. 1002 S. 10th atreet, Omaha, Neb., also Des Moines, Davenpert and Sloux City, Iowa.

If you think you have kidney trouble you should by all means consult a good physician. If this is impossible then ask your druggist for the best remedy-the one he

would use or recommend. Twelve thousand of the best druggists in America have formed a National Association, which they call the American Druggists Syndicate.

Through this association they give their customers the benefit of their vast experience by furnishing the organization with the formulas for a complete line of medicinal remedies and toilet preparations.

Each one of these preparations before they are offered to the public is approved by a National Formula Committee, Comprising one of the leading druggists from each state, and this Formula Committee has placed its approval upon A. D. S. Kidney Remedy, which means that this, next to the prescription of a responsible physician, is the most efficient, the safest and altogether the best remedy for the relief of kidney trouble that is known to the entire membership of this organization.

It means that the relief secured through its use will be free from habit-forming tendencies such as would usually follow the use of the ordinary patent medicine.

The fact that A. D. S. Kidney Remedy is absolutely harmless is just one of the many reasons why you should use it at the first sign, suspicion or symptom of kidney trouble—for if you have kidney trouble and it does not help you. the druggist you bought it of will cheerfully refund your money without a question. Get it at any A. D. S. drug store.

There may be other cities as good as Omaha-none better.

There may be other Omaha printers as good as us (we are magnanimous)—but none better.
