 This item:
 Congressman Hitchcock sent Charley McCune to Columbus yesterday to boost the senatorial candidacy of Mr. Hitchcock, it is a peculiar fact that nine-tenths of McCune's political talk to some Columbus gentlemen consisted of nasty reference to Mr. Bryan, some of the talk being meaner than any ever spoken by the notorious Guffey. It is natural to suppose that when McCune was throwing clubs at Bryan he did so by direction of his master. It is also natural to suppose that Bryan's friends (and there are many) will keep these sayings of the Hitchcock agents in their bearts.
 C. W. Bryan had not seen the Edgar Howard statement, he said, but he was loathe to believe that Mr. Hitchcock would countenance any such talk on the part of Attorney of Large Concern Looks Around. an open, discharging place on the flesh because the circulation constantly deposits into the fibres and tissues which surround the spot, the infectious matter with which the blood is contaminated. It is impossible for the sore to heal while the blood is in this impure state. S. S. S. heals old sores because it is the greatest of all blood purifiers; it goes into the circulation and removes the cause from the blood. When the blood has been purified there is no longer any inflammatory impurity or infectious matter to irritate the place, and nature causes a certain and natural healing of the ulcer. It is all well enough to endeavor to cleanse an old sore, or stop the itching, or absorb the discharge, with external applications, but a cure can never be reached in this way, because such applications do not reach the blood where the cause is located. S. S. S. does not simply cause a scab to form over an old sore, but beginning at the bottom it heals the place permanently by building new tissue, and filling the place with firm healthy S. S.
