STATESMAN LEADS SINGING

Former Congressman Hofferker Star Soloist at Sunday School Meet.

RACE QUESTION SMOOTHED OVER

Booker T. Washington Made a Life Member of Union—Cooler Heads Prevent Serious Differences Among Delegates.

WASHINGTON, May 24.—When former Congressman Walter O. Hofferker of Delaware, and the son of a former congressman from same state, rose last night far back in the great crowd that filled Convention hall, where tonight's session of the World's Sunday School convention was held, and all by himself sang "Traveling Home, Led by Jesus I am Traveling Home," the audience applauded so long and so lustily that Mr. Hofferker was compelled to go to the front, mount the platform and sing it again.

It was during a song service, led by Charles M. Alexander, the singing evangelist, who sang the gospel story to immense audiences in all parts of the world, that Mr. Hofferker, when a volunteer was called for, stood up off in a far corner of the big hall and swept the audience off its feet with enthusiasm.

Officers Chosen.

Officers of the association for the ensuing three years were elected tonight, as follows: President, Dr. George W. Bailey, Philadelphia; vice presidents, Sir John Kirk, England; Justice J. J. McLaren, Canada; Bishop C. Hartsell, Africa; W. N. Hartshorn, Boston, and R. W. Pritchley, India; honorary vice presidents, the Venerable Archbishop of London, Rev. Dr. J. Monroe Gibson; Right Hon. Lord Kinnard, and W. H. Grosor of Great Britain; John W. Foster, former secretary of state; W. W. Wamaker, Rev. Dr. H. H. Bell and W. A. Wilson of the United States; Rev. E. I. Rexford of Canada, Rev. J. C. Lehman, Germany; Prince Bernadotte, North Europe; Bishop William Burt, Europe; Baron Uskull, Russia; Dr. Ikuaka, Japan; Rev. Dr. S. A. Moffett, Korea; Rev. John Mackenzie, New Zealand, and H. Lipson, Hancock, Australia; joint secretaries, Marion Lawrence, for the United States, and Rev. Carey Bonner for England; statistical secretaries, George Shipway for England, and Hugh Cork for the United States, and Joint General Treasurers F. A. Wells, Chicago, for the United States, and Sir George White for England. E. K. Warren of Three Oaks, Mich., a former president of the association, was made chairman of the executive committee.

A large Mexican flag, sent to the convention by the Sunday School association of Mexico, was unfolded tonight and draped over the front of the speakers' stand by the side of the stars and stripes.

Bishop Hartsell of Africa spoke on "The Moslem Peril in Africa," declaring that "Christian churches had come to realize that in the conversion of the Mohammedans' world, the church faces the supreme crisis of its history."

At the afternoon session there was a "roll call of nations," delegates from all parts of the world speaking briefly of the work in their countries.

The race question was bobbed up frequently in the convention, but the cooler heads succeeded in keeping it off the floor of the convention. A great many of the delegates who came from outside the District of Columbia criticized the local committee for its action.

Race Question. The fact is, however, the negroes were not directly barred from the floor of the convention. The District of Columbia Sunday School association, in picking its delegates filled it with white men and women, claiming that the negro Sunday schools in the district were not members of the association.

This action appeared to keep the local negroes off the floor, as delegates though, they were not refused admission to the sessions, but the feeling was intensified when the negroes would be delegates sent as operators and saw, seated with credentials, negroes from the West Indies, East Africa and in some rare instances, from other states in the union. The negro Sunday school at Chester, Pa., for instance, had a delegate seated.

Tomorrow will be the last day of the convention proper, although it will be followed by two days of meetings for workers.

A place of meeting for the world's convention will probably be chosen tomorrow, although it has been decided that the National Sunday School association committee comprised of the Sunday schools of the United States and Great Britain will meet in San Francisco in 1911.

All the wrinkles which were formed

in the convention, when the color-line was drawn on the negro delegates, were smoothed out today when Booker T. Washington was made a life member of the organization and the necessary subscription of \$1,000 was promptly pledged, mostly by delegates from southern states. A white delegate from Kentucky nominated Booker T. Washington, saying: "We may all have our own ideas of how the negro problem is to be worked out, but we owe it as a tribute to the Christian negroes of the world to make Mr. Washington a life member."

GOLD DUST is better than soap and elbow grease for pots and pans. It digs deep into cracks and corners and sterilizes everything it touches

There is nothing about the kitchen which collects so much dirt, grease and grime as pots and pans; and there is nothing that will clean them so quickly, easily and thoroughly as GOLD DUST.

GOLD DUST cleanses until the last evidence of dirt has gone, and removes every trace of germ life.

You are probably not aware that pots and pans which are used constantly contain hidden nests of little wigglers—germs of putrefaction and decay. GOLD DUST removes these, because it sterilizes as well as cleans, and leaves your utensils clean, pure, wholesome, safe.

GOLD DUST will work wonders in cleansing and polishing milk cans, pails, bottles and dairy utensils, pots, pans and kettles.
