Wichita Southpaw Takes His Second Game of Series.

OMAHA SECURES THREE SINGLES

Hanson Starts for Rourkes, but is Succeeded by Keeley After Three Innings of Hard Sledding.

Jarnigan, who trimmed the Rourkes Sunday by allowing only three hits, did the trick again Wednesday. He pitched excellent ball and the Hourkes were only able to clout him for three etingy singles. He we given the best of support all the way through. The score was 5 to 2 in favor of

Omaha made a run le the first inning and one in the last. In the ninth, after going along for seven periods without a run, and but one hit, Captain Skipper atcempted to start something along the line of a batting rally and, although he sent in four men to take the places of the regulars who had not been able to wallop the ball, there was nothing doing.

For just a brief period in the last inning it looked as if Omaha might start something that would at least tie the game. Kane was the first man up and got a base on balls. Corridon batted a high one back of first and Ira Belden, who seldom misses if he gets anywhere near the bal muffed the fly and Kane went to second Skipper sent Cadman in to bat for Welci but he fiew out to right field. The captal set a good example by hitting a single t right field, which moved the runners u one, Graham, who batted for Gonding, h one to Hughes, who had to chuck it t first to get an out, and Kane scored. Ag new was sent in to wield the oak for Keeley. He drew a pass. With three on Hollenbeck took Shotton's place, and after getting two foul strikes hit one to the pitcher, who threw him out at first. It was a great chance for some scoring, but the boys were not heavy enough with the club Shotton Scores.

The second score was made by the Rourkes in the first inning. Shotton drew a base on balls and went to second on Fox's sacrifice. King hit one to third and

HOLDREGE, Neb., May 25.—(Special.)—
The initial games of the season for the local fown base ball club were played yesterday, when the strong Holbrook team played a double-header here. The first game was devoid of any spectacular features, and both pitchers were hit rather freely. Coppen for Holbrook, although swatted safely only six times gave ten bases on balls, which aided by the errors of his teammates, counted materially in the scoring. Score:

Obliged to forego the day expenditure would not admit their sending their men when the chance of taking a place in the meet was doubtful. However, many entries have been received.

E. K. Hurst, principal of the Falls City High school, sent the record of Reavis, pole vault man of that place, to Coach Carns Tuesday. Reavis was tied for first place in the indoor meet held at the Audi-Opening the Season.

Glen Waterman of this city, who has been attending Armour institute at Chicago, returned home yesterday in time to don the mask and pad for the local base ball team in the games with Holbrook, Waterman has been catching for the Armour team this spring and his work there, according to Chicago papers, has been very high class. He has had several offers to play minor league ball this meason, but will in all probability remain at home for the summer.

sinic and blood purifier in the Spring. Some have no particular ailment, but are weak, debilitated and run-down. Winter life with its decreased amount of outdoor exercise, and the fact that cold weather has kept the pores of the skin closed, prevented the proper amount of waste and refuse matter from being expelled from the system. These impurities entering the circulation have thinned and weakened the bloss, and the body therefore does not receive a sufficient amount of blood nourishment. The general bodily weakness, tired feeling, fickle appetite, poor digestion, etc., show how anaemic the blood has become. Frequently skin diseases, pimples, eruptions, etc., break out and this is evidence of the impurity of the circulation. S. S. S. is the best Spring tonic, because it is the greatest of all blood purifiers. It is the only medicine on which you can rely to supply the system with the needed tonic effects and at the same time purify and enrich your blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the strain of the long, hot Summer. S. S. S. is made entirely from roots, herbs and barks; it is Nature's tonic, pure and healthful. It regulates digestion, tones up the stomach, improves the appetite and promotes strong, vigorous health. This will be your best Spring season if you use S. S. S. for your tonic. THE SWIFT SPECIFIC CO., ATLANTA, GA.
