DREXEL THE MISSES' SHOE STORE

Many a Misses' foot has been ruined by an ill-fitting shoe.

Fitting shoes to growing feet is an art acquired by years of experience, not every salesman has this experience. Here we never allow our inexperienced salesmen to fit a Misses' shoe.

Besides the fitting, quality and style have a great deal to do with the satisfaction the wearer gets.

A trim, dainty foot proper-fitted to our Misses'

\$2.50 and \$2.00

shoes, or our young women's

\$3.00 and \$2.50

shoes is a guarantee of satisfaction.

White Serge Dresses

More women every year are wearing white tailor suits, all because they have learned that they can be dry cleaned time and again and always come home looking like new.

Our price for cleaning and pressing white tailor suits is **\$2.00**, and we guarantee the work satisfactory.

Don't make the mistake of wearing your suit until it becomes so badly soiled that it will be necessary to steam clean it; as steam cleaning is much harder on the goods than dry cleaning.

We think our dry cleaning of white goods is just about perfect—try us the next time.

Parlow Suction Cleaners

And I Thought It Was Clean

A young housewife was visiting her next door neighbor and threw doubt on whether the "Peerless" cleaner she noticed in her neighbor's house could clean her carpets cleaner than she kept hers.

"Why! I don't see how it can, I broom my rugs every morning and then go over them with a sweeper."

The neighbor took her "Peerless" cleaner over next morning after the brooming was over and said:

"Try it yourself!"

To the amazement of that young housewife the dust that came out of her rug made a pile six inches high.

We say to you—try it yourself.
