Vegetable and Ash Wagons Collide

Wheel Comes Off the Produce Wagon and Hits the Ash Cart.

When Mrs. Mary Johnson, wife of a truck farmer at Fifty-fourth and Webster streets, started to the market on Wednesday morning she was in a hurry. The hurry became so pronounced when an officer at Sixteenth and Jackson streets saw the vegetable cart and an ash wagon approaching simultaneously from the same direction he was led to believe that it was a real race and an infraction of the speed laws. "Stop, stop," he cried out, running into the street. They did stop—all in a heap. A wheel came off of the vegetable cart and it clashed with the ash wagon. The ashes and the vegetables, the driver and Mrs. Johnson were thrown into a tangle. The officer helped to straighten out the mess and accepted the details of intentional violation of the speed limit.

We Sell On Small Monthly Payments or a Cut Price for Cash.
Read below how well people who are using them speak of the Cold Storage Refrigerator and Detroit Ideal Gas Stove.

Two years ago we sold Mrs. Stowell, 624 South 19th St., a \$40.00 Cold Storage Refrigerator and a \$34.00 Detroit Ideal Gas Stove. This is what she said to us a few days ago: "I can't help but have a very friendly feeling toward you for selling me two such extraordinary pieces. They are the delight of my household and seem to cheer me up every time I approach them. I have used several different kinds of refrigerators and gas stoves and never better any but what had the reputation of being first class, but they did not compare with the Cold Storage and Detroit Ideal."

We have sold the Cold Storage in Omaha four years and the Detroit Ideal two years. We have sold nearly seven hundred Cold Storage Refrigerators and four hundred Detroit Ideal Gas Stoves in that time. We congratulate ourselves on the fact that people who furnish their homes with the best are the people who buy them.

DRINK AND OPIUM

THE Keeley Cure
Habits cured by a thorough and scientific course of treatment, which removes the craving or necessity for liquor or drugs, imparts new strength to every organ, and builds up the general health. Proven efficacious by 50 years' experience and the cure of more than 85,000 patients. Beware of imitations. The genuine Keeley treatment is administered in this state only at THE KEELEY INSTITUTE, 26th and Cass Streets, OMAHA, NEB.

RUPTURE

I have a certain cure for rupture without resorting to a painful and uncertain surgical operation. I am the only, reputable physician in this line of work who will take such cases for treatment upon a guarantee to cure, or make no charge. You may deposit the money in a bank in your city in your own name, and when you are satisfied a cure has been made you then instruct the bank to pay the money to me. By doing this you are absolutely certain of a cure, or it will cost you nothing. If I was not perfectly sure of my work I could not do business in this way very long, but instead have been doing so for 15 years, and adopted this plan because so many have been swindled by quacks and fakers. Not one of them will permit a patient to deposit his money until a cure has been made. When taking my treatment patients must come to my office, and if they live near by, can return home the same day. Call or write for literature.
