Chinese Minister Visits in Omaha

Rev. W. P. Chen of Tien Tsin Methodist Church Guest of Honor at Y. M. C. A. Luncheon.

Rev. W. P. Chen of Tientsin, China, pastor of the Methodist English-speaking church there, is in Omaha on his way to Ann Arbor, where he is to attend summer school. While in Omaha the Oriental minister is the guest of Mr. and Mrs. George G. Wallace.

Mr. Chen is a member of the board of directors of the Young Men's Christian association of Tientsin, president of a

EUROPE LIKES OUR MONEY

C. F. McGrew, Returning from Abroad, Makes Observations on Monetary System.

"The countries of Europe are interesting, but the most pleasant part of our trip abroad was the homecoming, and I feel as though one ought to return thanks to God that he has a home in America." So said C. F. McGrew, former vice president of the Omaha National bank, who has just returned from a four months' tour of Europe with Mrs. McGrew and their daughter, Alice Cary McGrew.

On February 5 they sailed from New York and traveled all through Europe, taking in Egypt, where Colonel Roosevelt was met and greetings were exchanged.

They were present in England at the time of King Edward's funeral and were in Rome during the Roosevelt controversy. "I never saw such apparent sorrow," said Mr. McGrew, "as in England at the time of the death of King Edward. I have seen mourning for presidents in America, but it did not compare with the sincere sorrow shown in England."

"Previous to the death of King Edward the one topic which interested the whole of Europe was Roosevelt. I was in Rome at the time of the misunderstanding with the pope and would say that the matter was not taken as seriously there as in this country."

"One of the striking things which I noticed while traveling in Europe was the absence of circulation of gold in many countries. Gold seemed to be scarce, but

GENERAL OFFICES MOVED

Officers of Nebraska Telephone Company Move into New J. L. Kennedy Building.

General offices of the Nebraska Telephone company have been moved from the telephone building at Eighteenth and Douglas streets to the John L. Kennedy building, a block west. The new offices are on the second floor. The long distance board in the main building of the phone company is to be moved into the room formerly occupied by the general offices, and will be displaced on the second floor by the board for the new sub exchange, designated "Tyler," which is to take the overload off the Douglas board.

After hearing the report on the financial outcome of the trip, it was unanimously decided to appoint a small committee to look over the local field with the idea of arranging a trip of four or five days next fall, probably some time in October. Just what direction will be taken was not determined, but a journey either into northeastern Nebraska, the entire South Platte country, or a four-day trip divided between southeastern Nebraska and southwestern Iowa was suggested. There is a great demand for all of these and the difficulty in arranging for one of them will be the matter of deciding which is the most imperative.

The Key to the Situation—Bee Want Ads.
