definitely until his position is more fully assured, but, if he wishes to continue eny loying the delights of the girl's society, if

is clearly his duty to give her the only

position fair to her-that of his affianced

Of course there are some people who think that a man who is not in a position

to marry has no right to the a girl down to an engagement, and so perhaps spoll

her chances of securing a more eligible

partner, but it is not what these people

think, but what the girl herself thinks.

It is the girl herself who should defide whether sho will say "yes" or "nay," and

the man who loves her-however remote

his prospects of matrimony may be-

should go to her and tell her frankly about

his position, and then if she be willing to

walt for him, well and good; if not, well,

But as a rule women prefer love to

riches, and there is perhaps no better test

of true love than poverty, for when a

woman really and truly loves a man she

does not take his poverty into consideration

at all, preferring rather to be mistress of a cottage with him to share it with her than reign as a society queen those of the paiatial mansions of Mayfair.-Home

OCEAN STEAMSHIPS

July 1 cause the lady of his choice much un

"Do you really take an interest in the omet?" she inquired plaintively.

"I should say I do!" exclaimed the Boss, indignantly, "and so does every intelligent

person!" 'The Boss' wife bristled at this sweeping assertion. "I don't know a woman who cares one thing about it," she declared positively. "Why, it wasn't even mentioned at the club this afternoon."

"I said intelligent persons," the Boss italicized, "human beings with interets above pots and kettles, love stories, millinery and the other silly things women cackle about when they get together."

"The topic of today's meeting." the lady retorted icily, "was 'The Humor of Isben. In fact, I read a paper on it. Frankly, she added in her loftiest manner, "I am not interested in natural phenomena."

"Ah, cut it out and come on up on the roof," said the Boss, who had particular use for his wife's high brow tendency. place. That's it.'

And with slightly exaggerated resignation she threw a scarf about her shoulders and they proceeded to the roof. But when they stood among the denuded
