HAYWARD CALLS COMMITTEE

Republican Chairman Orders Meeting at Lincoln Hotel June 16.

WILL SETTLE CONVENTION SITE

Charles Arnot and Frank S. Perdue Will Soon Announce Candidates for Superintendent of Instruction.

LINCOLN, June 6.—(Special.)—Chairman William Hayward of the republican state committee has issued a call for a meeting of the committee Thursday night, June 16. The meeting will be held at the Lincoln hotel at 7:30 o'clock. Mr. Hayward has sent out with his call for the meeting and invitation to the republican editors of the state to meet with the committee.

At this meeting the location of the state convention will be selected, as well as the basis of representation upon which delegates will be chosen.

Looking for an Excuse.

Because Will Hayward, candidate for congress in the first district, mentioned the fact that he is chairman of the republican state committee in writing letters to the voters of the district, he has been taken to task by the local daily democratic paper, here. The Star said friends of George Tobey, another republican candidate, insist upon a fair fight and they say Hayward is taking an unfair advantage by saying he is chairman of the republican committee. The letter which caused the democratic paper to get out of sorts was published as follows:

Having served as chairman of the state committee when you were committed in 1908 in the democratic nomination for congress in the fifth district, Mr. Hayward, I am taking the liberty of asking your support and the benefit of your influence in behalf of my candidacy for congress in this district.

I shall hope to see you in person during the three months that must elapse before the primaries, but in the meantime wanted you to know that I desired your help in any way you can find it in your power to give it to me, and would very much appreciate hearing from you.

I have not felt like making an active campaign when occupying the position of chairman, and am desirous of tendering my resignation as soon as the committee will accept it. Yours truly,

W. M. HAYWARD.

Another Democrat for Congress.

Clarence E. Harmon of Holdrege has filed his name with the secretary of state as a candidate for the democratic nomination for congress in the fifth district. Mr. Harmon is a traveling man employed by a Coughlin Bluffs firm and is well known over the district among democrats. He has never held office, though a hard party worker.

Blackburn Files for Congress.

Thomas W. Blackburn came to Lincoln this afternoon and filed his name with the secretary of state as a candidate for the republican nomination for congress in the second district. So far Mr. Blackburn is the only republican to file.

Arnot to File for Superintendent.

Charles Arnot, superintendent of schools at Schuyler, will shortly announce his candidacy for state superintendent of public instruction on the democratic ticket, so his friends have reported here. Mr. Arnot secured his papers for filing from the secretary of state last week. For two terms Mr. Arnot was county superintendent of Dodge county and for three years has been superintendent of schools at Schuyler.

Perdue to Ask for Promotion.

Deputy State Superintendent Frank S. Perdue will file his name as a candidate on the republican ticket for state superintendent provided Superintendent Bishop decides to go to Iowa. Mr. Perdue was county superintendent of Madison county at the time of his selection as deputy state superintendent. His duties have taken him into almost every county in the state and therefore he has a large acquaintance with the school people of Nebraska. Mr. Perdue has received letters urging him to get into the race and promising him support.

Union Pacific Answers Fruit Concerns.

In answer to the complaint of the Dolan Fruit company of Grand Island, that the Union Pacific railroad does not furnish adequate facilities for the housing of fruit, the company says it is now rebuilding its freight depot and constructing an addition

CUTICURA CURED TWO BROTHERS

One had Face Covered with Itching Eruption—Eyesight was Affected—Raw, Itching Humor Spread Over the Other from Head to Feet in a Single Day—Dreadful

SKIN-TORTURES YIELD TO EASY TREATMENT

"In 1907 my face broke out in a mass of itching sores which finally affected the eyesight. I tried every medicine recommended, but to no avail. A friend of mine urged me to try Cuticura Ointment as he was sure of good results from his own experience. I used the Cuticura Ointment for about six weeks, after washing thoroughly with Cuticura Soap, and in perfect health now which I owe to the Cuticura Remedies. I shall always stand by them as one of the greatest blessings to the suffering thousands. Arthur D. Gridley, 532 Dean St., Brooklyn, N. Y., Apr. 9, 1909."

In the middle of the night of March both I woke up with burning itch in my two hands and I felt as if I could pull them apart. In the morning the itching had got to my chest and during that day it spread all over my body. It was red and raw from the top of my head to the soles of my feet and I was in continual agony from the itching. I could neither lie down nor sit up. I happened to see about Cuticura Remedies and I thought I would give them a trial. I took a good bath with the Cuticura Soap and used the Cuticura Ointment. I put it on from my head down to my feet and then went to bed. On the first of April I felt like a new man. The itching was almost gone. I continued with the Cuticura Soap and Ointment and during that week Gridley, 532 E. 48th St., New York City, Apr. 27, '09."

Complete External and Internal Treatment by the Remedy of Cuticura Remedies. Cuticura Soap (10c) to cleanse the skin, Cuticura Ointment (10c) to soothe and heal the itching, and Cuticura Tablets (10c) to purify the blood. Cuticura Remedies are sold throughout the world. Put up in a box and a tin. Cuticura Remedies are sold by all druggists. Write for a free trial of Cuticura Remedies to the Cuticura Remedies Co., P.O. Box 108, Lowell, Mass.

Nebraska

to its passenger depot, which it says, will be sufficient to care for the business at Grand Island for some time to come.

Petition Out of the Ordinary.

"Owing to the unusual form of the petition and the general admittance of facts, fancies and fallacies, it is impossible to answer by admission and denial in the usual orderly manner," says the answer of the Union Pacific to the complaint of the people of Ogallala, for a new depot, so a general denial is made to all the statements. The petition set out that it had been so long ago since the road had promised this depot that many of those who were present when the promise was made have gone to their reward and others are too old to remember.

Get Land for Nothing.

Frank W. Brown, former mayor of Lincoln, received notice today that the Rock Island railroad would deed to the city the irregular parts of lots abutting on Antelope park, leaving only 100 feet of right-of-way for the road. Owing to the fact that the railroad goes diagonally through the east part of town, the lots that were obtained in securing a right-of-way show irregular corners on the plat. Under agreement now made a line parallel to the track will be drawn and all land hitherto owned by the road outside this line will be given to the city for park purposes. Mr. Brown has been working for this for some time and has talked with most of the Rock Island officials in the west in an attempt to attain what he is notified is granted today. The exact area of the corners has not been compared, but the agreement will result in a material addition to the park, free of cost to the city.

Rock Island Wins Out.

The State Railway commission has permitted the Rock Island to locate its new station at University Place where the road wishes, although the new site is about five blocks southwest of where the commission thought originally the station should be placed. The distance from the station to Lincoln will be 3.4 miles and 1.1 miles to the Haystack station. The plans for the structure have not yet been filed. At the time of the hearing at which this matter was taken up the railroad asked permission to remove a spur track that it built into the heart of the town, and then put witnesses on the stand to prove that the track should not be taken up. The commission has made no order regarding this spur.

Trade Extension Association.

A most enthusiastic meeting of Lincoln business men at the Commercial club today organized the Lincoln Trade Extension association and determined upon making a trade excursion into South Platte territory for a week, beginning June 20. Twenty-four business men signed up within half an hour after the meeting began. The expense is not to exceed \$50 per man.

To Form Aero Club.

Several local aerial navigation enthusiasts will form an aero club next week, to be known as the Lincoln Local Aero club. It is planned to get some grounds for experimental purposes somewhere near the city, and sheds for gliders and aeroplanes will be erected. Dr. George R. Brownfield will build his biplane here, and will make all his experimental flights on the club grounds. The members will hold regular meetings for the discussion of progress in aeronautics, and lectures on aerial navigation will be given.

Those so far interested in the club are: Joe L. Burnham, Captain H. E. Yates, commandant of cadets at the State university; Charles E. Chown, superintendent of the Lincoln school of aviation; E. C. Babcock, Prof. C. B. Richards, dean of the engineering college at the university, and Dr. George R. Brownfield, who is the inventor of a biplane on which he expects his patents within a few days.

Alleged Gambler Brought to Omaha

Man Who Jumped from Train Near Seward with Stakes in Poker Game is Badly Hurt.

SEWARD, Neb., June 6.—(Special Telegram.)—G. H. Stanley, an alleged gambler, giving his residence as Omaha, who was badly injured by jumping from a train near Seward yesterday afternoon, was taken to Omaha on a cot today by Dr. Ragan. He had one leg broken in two places and is otherwise badly hurt, but was anxious to leave Seward. Webber, the young fellow who was induced into a poker game, said first the game was pitch, then poker, and the game in which he lost this money was just out of York county, yesterday. He says he lost \$100, the men implicated say it was \$25. He got his money back. One partner of the man injured by jumping from the train when it was at full speed, left last night, and is supposed to be in their grip was every sort of gambling device known to the fraternity.

BOY CAUGHT IN WHEAT PIT

Grandson of M. Hutshiser of Seward Has Narrow Escape from Suffocation.

SEWARD, Neb., June 6.—(Special Telegram.)—The 8-year-old grandson of M. Hutshiser of the Boyes-Hutshiser mills here, climbed into a wheat bin where wheat was being elevated yesterday and was sucked under, only his head protruding, when he was removed. It was thought life was extinct, but he was revived. The boy's father lives at Wynora.

BIG DITCH IN MERRICK

Work is begun on Channel Forty Miles Long.

CENTRAL CITY, Neb., June 6.—(Special.)—In spite of the fact that the project of digging a ditch almost forty miles long down the valley of the Silver creek for the whole length of Merrick county was defeated last year before the county Board of Supervisors, private enterprise is going ahead with the project in that section and already over twenty miles of ditch has been contracted for. A ditching outfit owned by Beattie & Hubbard of Minnesota, which has lately been in operation in Missouri, has just landed here, under the direction of Mr. Beattie. He says that he has contracts which will keep his force busy all summer. The outfit will commence work this week on the farm of Joseph W. Gaw east of town and from thence will proceed in an easterly direction down the valley of Silver creek. Some of the best land in the state lies in the Silver creek valley, but owing to the fact that it is poorly drained it is good for little but prairie hay, of which it grows an immense crop. However Merrick county land is too valuable to let go for hay land, and the owners believe that if it is properly drained it can be converted into splendid farming land, hence the present project. It is expected that many thousands of acres will be reclaimed.

Twenty-Five at Genoa.

GENOA, Neb., June 6.—(Special.)—The graduating exercises of the Genoa High school were held in the Genoa opera house Friday evening. The class numbered twenty-five. The graduates were Misses Ethel Kadel, Elizabeth Green, Nettie Larson, Gladys Slaughter, Marcella Fonda, Edith Horton, Ella Munson, Helen Berlin, Johann Ogden, Ethel Parker and Pauline Mortenson, and Messrs. Lloyd Crozier, Earle Willard, Charles Anderson, Leslie Wake, James Paulson, Grant McFayden, Perry Gates, Dewese Johnson, P. W. Thiel, Jr., William Jacobson, Milo Gates, Byron Compton, Russell Goodwin and Fred Spear, making a class of fourteen boys and eleven girls.

Nebraska

Sunday School Workers Meet

Twelve Hundred Delegates Expected at Session to be Held at Beatrice.

BEATRICE, Neb., June 6.—(Special Telegram.)—The Nebraska State Sunday School convention commenced here this evening with about 800 delegates in attendance. The evening trains brought in 100 or more delegates from various points in southern and southeastern Nebraska. The attendance will probably reach 1,200. The program this evening consisted of a reception in the Presbyterian church to Mrs. May Puster Bryner of Chicago, superintendent of the elementary department of the International Sunday School association, and brief addresses by various delegates were made.

The business sessions of the convention will open in the Christian church tomorrow morning. The program will consist of addresses by Mrs. Bryner of Chicago, Mrs. H. E. Wood of Lincoln, and a conference of state, county and district officers.

Many homes in Beatrice have been thrown open to the delegates, and the convention promises to be the most interesting and largely attended of any yet held.

Nebraska News Notes.

DAVID CITY.—William Haynes, an old resident of this city, died here this morning. Mr. Haynes is survived by a large family of grown sons and daughters. The funeral will be held tomorrow afternoon.

BEATRICE.—At the meeting of the Nebraska City Alumni society the following officers were elected: President, Dr. Frank S. Marshall; vice president, Miss Alice Caples; secretary and treasurer, Miss Lucy Eastman.

NEBRASKA CITY.—Misses Ollie and Anna Stevenson and Miss Harriet Hervey have sailed for Europe. Miss Hervey goes to see the sights in Europe and the other two women to study the people of the various countries and their dialect.

BEATRICE.—Judge Crawford of Wynora, who adopted a rule whereby all drunks who fail to pay their fines will be put to work on the streets. He has had six men work the last week with the result that the business section of the town has been thoroughly cleaned.

CENTRAL CITY.—George Piephar, a prominent German resident of this place, has been taken to Omaha to have his leg amputated after suffering and being confined to his home for about two years. About two years ago he suffered a broken leg and, owing to his age, the bone never healed properly.

HARVARD.—Harvard Camp No. 535, Modern Woodmen of America, joined with the Royal Neighbors of America at their hall yesterday afternoon in observing the memorial for departed members, and after an interesting service, whereby all drunks who fail to pay their fines will be put to work on the streets, where the graves were given a beautiful floral offering.

NEBRASKA CITY.—George Thomas, an employe at the Schinke mill, had a peculiar accident, which nearly cost him his right arm. He was standing on a barrel of flour, doing some work and fell. In the fall he struck a razor, which was open and used to cut twine. His right arm was nearly severed at the wrist.

DAVID CITY.—Woodman's memorial day was fittingly observed by the local lodge here yesterday. At about 2 o'clock the members of the lodge gathered at the Odd Fellows' hall and from there, headed by the Foresters' team and the David City band, marched to the cemetery, where the graves of deceased members were decorated.

REPUBLICAN CITY.—The Modern Woodmen of America and Royal Neighbors lodges of this city observed their memorial day Sunday. City services were held in the Methodist church. J. G. Thompson,

Blames Enemy of Sports for Gillett Story

"Bat" Masterson Says Alleged Interview with California Governor Frameup of Reformers.

NEW YORK, June 6.—"The reported interview with Governor Gillett of California, in which his excellency was made to say, along with other things, that the Jeffries-Johnson fight was a frame-up, didn't last very long," says "Bat" Masterson. "It hardly appeared in print before it was knocked on the head by the governor himself. The entire story was such an obvious invention that it is doubtful whether one in a thousand who read it believed a word of it."

"It probably will be found in time that the hoax had its conception in the mind of some reformer or members of the Ministerial union whose efforts in having Governor Gillett interfere with the fight had failed, and sought to put one over on the governor by inspiring the fake interview in order to get even. There is some satisfaction, however, in knowing that about 90 per cent of the people of this country are too intelligent to stand for such bunco work."

"Now that the Governor Gillett interview regarding the fight has been declared a fabrication by no less a person than the governor himself, another story, which would seem to be based on much more substantial ground, to the effect that certain politicians in San Francisco are demanding from the fight promoters a certain sum of money in order to keep their hands off, is going the rounds."

"As the story goes, Tex Rickard and Jack Gleason have been given the alternative of the grafters of putting up or the fight will be stopped. The holdup plan of the 'Frisco politicians may not be as strong as reported, but that there is some sort of a movement on foot to make Rickard and Gleason come through for the privilege of staging the fight in 'Frisco, seems almost certain."

CULLED FROM THE WIRE

Stephen Van Rensselaer Ford, author, editor, composer and critic, a member of one of the oldest families in the central part of New York state, died Sunday.

Emil Seidel, the mayor of Milwaukee, in a speech declared the monopolies were labor-saving devices and necessary. Mr. Seidel predicted the early abolition of the United Irish Societies of Chicago, in their annual convention, praised the Irish parliamentary party and again pledged support in the contest for home rule in Ireland.

Treasury officials figure that if all the money in circulation in the United States were divided equally, every man, woman and child would have \$34.23. This is 14 cents per capita more than they would have had by the same process of reasoning a month ago.

The position of the Scandinavian-American steamer "United States" in the United States is unchanged. The passengers were brought to Christiansand yesterday and a portion of the cargo was transferred to the Danish steamer Polar today.

DEATH RECORD.

State Senator Whipple.

DES MOINES, Ia., June 6.—State Senator William P. Whipple, father of the Iowa State Educational Board of Control, died at 3 o'clock this afternoon at his home in Vinton, after an illness of many months. He was prominent as a banker and legislator.
