

A Men's Suit Sale at Bennett's at \$10.75 and \$14.75--Practically Doubles the Value of a Dollar

Here's repeating the most successful \$10.75 suit sale ever made by the Bennett store. Some four hundred men are congratulating themselves on their good luck in securing these suits. Telegraph orders have placed a duplicate lot on our tables again in time for Saturday. 500 summer suits in the fashionable grays and plenty of blue serges, too. We challenge you to find equal style and general all-around tailoring excellence under \$18.00, \$20.00 or \$25.00. It's all hand-tailored clothing, with interlinings, padding and half cloth stay fronts that assures an absolutely perfect fit, and the shape-retaining qualities only found in the higher priced custom tailored garments. A backward season didn't bring the orders the maker banked on, and now he is forced to unload a top-heavy stock at a loss. Men's and Young Men's styles; splendid materials and patterns, and all you pay is \$10.75.

Quite as attractive to men who are in the habit of paying \$25.00 or \$30.00 for their clothes are the suits we show at \$14.75. You'll recognize in them all the niceties of finished workmanship and correct fashioning which elevate them into the most exclusive class of ready-to-wear clothing. It's the kind of apparel the discriminating man chooses. Men who have their suits tailored to order will be particularly interested. The line embraces a comprehensive variety of soft tone greys, new browns and tweeds. The long roll collar, the two or three-button dip front coat, and the "peppy" trousers, with turn up cuff, all bespeak a knowledge of what's what in the world of fashion. Summer suits, all of them, from a maker of great prominence as a builder of high grade apparel. A Bennett sale exemplifying the best bargains this city has to offer.
