HOIST HIGGINS' HIRELINGS

Rourkes Trim Champions in First of Series Here,

KEELEY OUTPITCHES MR. CATES

Shotten's Hit with Two on Bases Settles Game-Hawkeyes Amass Two Runs to Omaha's Eight.

John Higgins' athletes, the Des Moines Champs, drifted into the Vinton street park yesterday afternoon to ascertain what brand of ball the Rourkes were capable of putting up. After nine innings of fast playing they found out. The score was 8 to 2 with Omaha holding the big

Cates and Keeley were the oposing slingers and both pitched good ball, Keeley having a shade the better of the contest. He allowed six hits while ten were made off Cates.

Omaha played a great base running game at all times and was ever on the alert to score. Bachant was not very strong on base throwing and as soon as the Rourkes found it out, they took advantage of his weakness and had him throwing most of the time. Six steals were registered for the home players and four of these were due to the poor arm work of the Des Moines back stop. Kane was high man in this department of the game, getting three steals out of four times on bases. Jimmy was also lucky on bases, going to third in the fourth inning when Cates made a balk and again in the next session when Cates heaved a wild one back of the bat. He also saved himself an out, when he started for the plate on a fielder's choice, was chased back and forth on the line and finally out-ran Bachant for the third bag. Later he scored on a sacrifice fly.

But one hit was made for extra bases. That was by Corridon in the fifth, when he knocked a long one to left. There was no one on bases. He stole third when Bachant was not looking, and came home on King's

Shotton's Hit Settles Game. Shotten got a hit in the sixth that cleared the bases with two one and put the game out of the reach of the Champs. This inning started with Schipke going out on a grounder to first. Graham hit one between center and left and both Matticks and Curtis started for the ball, and when they reached a point within five feet of where

it was to alight, both stopped and waited for the other to catch it. The ball dropped to the turf, the fielders looked foolish and George reposed safely on first. Conding went out on a fly to Curtis. Keeley hit a single, which put Graham on third. H stole second and both raced home whe Shotton hit. Des Moines made one of its two score in the first. Dalton hit a single and went to second when eKeley threw high to Kan on Colligan's bunt. Dalton went to thir on Mattick's sacrifice, and scored on Dw3

er's fly to King. The second was made the fifth inning, and was due to Schipke error. Williams hit a hard one to fle and reached first before Schipke could re cover ... e ball after he had knocked it down Bachant sacrificed. Cates went out vie the Schipke-Kane route and Dalton scored Williams wit ha single. From then until the finish Des Moines was unable to do anything of consequence to Keeley.

Curtis was robbed of a two-base to the left field bleacher fence and made a phenomenal catch.

Ninth Inning Fatal to Lincoln, Hagerman Blowing. LINCOLN, June 18.—Sloux City took the opening game from Lincoln today by a score of \$ to 2, scoring three runs in the ninth inning, after the side should have retired. An error unnerved Hagerman, who followed it with two bases on balls and after these came two singles. Hagerman pitched a clever game, one scratch single being all the visitors could get off him up to the fatal ninth. Alderman was also at his best. Bcore: LINCOLN.

VOLLMER'S

OUR BUSINESS IS GROWING

NOTHING happens in this world without a cause, and one of the main reasons we can think of when placing the responsibility for the fact that our business has more than doubled during the past year is the personal attention we give each individual who purchases a readyto-wear garment from us, and it makes no difference whether the price is \$15 or \$35 as to the carefulness of this attention, because it is a fixed rule of our shop that every garment must fit completely in every detail before it leaves the hands of our tailors.

F WE charged for our label, as many others do, our clothes would necessarily be marked a great deal higher. There can be no better patterns, (as many of ours are exclusive), no better tailoring, and surely, no better fabrics. Why should you pay more than our prices elsewhere.

HIS is a very busy shop on Saturday especially, and, as it takes time to make careful alterations, it would be a favor to us if whenever possible you make

your selections early in the week. Our price range is

\$15 to \$35
