WE "BUNCHED OUR HITS" AND MADE A NOTABLE PURCHASE IN
Men's Summer Suits

We are putting ginger and enthusiasm into the selling tomorrow for we surely have much to enthuse
over. Fine hand-tailored suits for men at \$11.25 and all \$20.00, \$25.00 or \$30.00 models don't happen your
way very often. They are summer suits of the most desirable kinds, every one strictly all pure wool. You
have choice of light gray flannels, gray velours, elephant gray worsteds,
fancy blue serges, shepherd checks, Scotch plaids and a large line of
nobby genteel patterns. In the lot are one, two and three button dip
front coats with full peg top trousers and four-inch turnup for the
young fellows; also conservative models for elderly men. It's clothing that's
built on honor—inside and out. You need make no apologies for it in whatever
society you mingle. It's the kind of clothing that marks the well-dressed man. We say
it again, the best \$20.00, \$25.00 and \$30.00 suits you know of. Three hundred new ones
getting their first showing Saturday. The price..... \$11.25
