What You Don't Want—Sell

Everybody has something around the house they do not want. Or perhaps they have articles that while they really have no use for them, at the same time they dislike to throw them away.

Just let them find people who would take these articles off their hands and pay for them and they would be happy.

Yet that is just what can be accomplished by way of the For Sale Miscellaneous column in The Bee.

If you have anything you wish to dispose of, write a small Want Ad and

Taft's Dental Rooms

Facing Farnam Street on the ground floor

The best location in Omaha for many lines of business is opposite the Court House and next to the City Hall. It is very seldom that it is possible for you to get one of the ground floor rooms in

THE BEE BUILDING

The entrance is just west of the main entrance of the building; it has an entrance from the court as well. The building furnishes heat, light, water and janitor service. The building is fire-proof and there is a large brick vault, so you can cut out your insurance expense. The room will be remodeled and re-arranged to suit the tenant. The space can be arranged to give tenant 1,850 square feet if desired.

If this is the best location for you, now is the time to grasp the opportunity, and apply at once.
