## PETITIONS SENT OUT BROADCAST

Burlington Desires Rehearing of Recent Order of Commission Reducing Rates from Certain Towns to Omaha.

(From a Staff Correspondent.) LINCOLN, June 18. (Special).—I. H. Hatfield, who has taken charge of the Bryan campaign for the senate, said that he expects no trouble in getting thousands of signatures to the petitions he is now sending out. He sent out petitions to individuals only yesterday with another big batch today, but several days ago he sent them to all the democratic papers in the state. From many of the editors he said, he had received letters endorsing the proposition and agreeing to do all they could to secure signatures. The more democrats on the petitions the more chance there is for Mr. Bryan to get into the running, so during the next few days, a great hunt will be made through the corn fields to get names.

Victor Wilson and Representative Evans have secured petitions to circulate in York county, having thoroughly covered Hamilton and Polk. The three men who are heading the petition work are certain that Mr. Bryan will make the race when the petitions are filed and it is their intention to secure a sufficient number of names to insure his nomination at the hands of the democratic party to make it unnecessary for Mr. Hitchcock, Mr. Joyce and Mr. Reed to spend any more money in their campaign. The democrats have never cast more than 4,000 votes in their primary elections and Victor Wilson said it would be no trick at all to get 50,000 democrats to sign a Bryan petition, but it is figured that even 25,000 signatures would settle the question if there was any doubt about who would get the nomination.

Mr. Bryan did not send a letter to the Central City banquet so the democratic state committee did not have to snub him there, as had been done at Beaver City and Kearney.

Burlington Asks for Rehearing. J. E. Kelly, counsel for the Burlington railroad, has filed with the State Railway commission a motion for a rehearing on the order recently issued to compel the Burlington to reduce grain rates from certain towns to Omaha to conform to the rates to Kansas City. This has been the order for thirty days, so it will not go into effect June 25.

Mr. Kelly sets up that it was alleged in the complaint that the railroad was discriminating in favor of Kansas City against Omaha, but that the commission did not so find. He says, the commission announced that the rates charged to Omaha from these towns were unreasonable and for that reason ordered the reduction. The unreasonable of the rates was not complained of in the petition, the attorney says, and for that reason the commission was compelled to go outside of the record and find evidence in order to make the order fit.

Charges Against Belt Line. C. E. Wager, assistant general freight agent of the Missouri Pacific, has been requested to appear before the railway commission Monday and explain his action in changing his schedule. He has been in Omaha since the 15th, without the authority of the commission. It is alleged that recently the Missouri Pacific notified the other railroads that it would no longer accept cars at team tracks and that in some instances cars for switching would not be accepted at all. It is also alleged that the company has discriminated between the industries constructed along its tracks. The matter will be gone into thoroughly next Monday.

Jackson Files for Superintendent. W. R. Jackson of University Place has filed his name with the secretary of state by petition for the democratic nomination for state superintendent. Mr. Jackson was state superintendent from 1906 to 1909 and recently applied for the position of principal of the State Normal school at Chadron. Several other prospective applicants for this position are holding back until State Superintendent Hurlburt formally accepts the position tendered him in Iowa before the file. Mr. Bishop probably will announce his acceptance of the Iowa offer the first of the week.

Asks Removal of County Attorney. Mayor C. M. Hurlburt of Fairbury has asked the governor to remove from office county attorney J. H. Hurlburt. In his complaint filed with the chief executive Mr. Hurlburt alleges that the county not only refuses to prosecute persons charged with being drunk, but defends them in court. In his petition he sets out that the ordinances making drunkenness a crime have been repealed in Fairbury and prosecutions for this offense are made under the state law. He cited a case where a man was arrested for being drunk and the city attorney called on the county attorney to assist in the prosecution. Instead of doing so, the mayor says, the county attorney defended the man as his attorney. The governor has taken no action in the matter.

Captain Scott Resigns. Captain A. R. Scott of Company M, First regiment, Nebraska National Guards, has resigned and his resignation has been accepted by Adj. Gen. Henry Hartington. Captain Scott is located at McCook. Private T. L. Hall of Company F, Second regiment, has been elected second lieutenant and his election has been approved.

Alliance Has Bonds. The city of Alliance has agreed that if the state treasurer will buy its bonds to the amount of \$50,000 for the purpose of selling the city of Douglas county bonds which are owned by the state. The Alliance bonds will net the state 4 1/2 per cent interest.

During the day Mayor Trainor of South Omaha called on state Treasurer Brian and asked him to take a bond issue of \$200,000 for the city of South Omaha. The World-Herald is criticizing me for buying Douglas county bonds now and not getting more interest for the state, so I don't know why I should buy any more bonds there unless the county will pay more interest.

Mr. Trainor is a member of the Board of Commissioners which sold the state the Douglas county bonds. The treasurer later explained to him that he did not have the money to take the South Omaha issue.

Looking for Headquarters. Officials of the republican state committee have not yet selected rooms for the headquarters. At present the records of the committee are kept in a room at the Lincoln, which has been turned into a check room. The Lindell hotel has made a proposition to the committee while the Lincoln is trying to arrange its rooms so that the headquarters may be retained there. Several office buildings have also been inspected but no selection has yet been made. Before going to Omaha Vice-

## THREE DIE NEAR GERMANTOWN

One Man Dies of Horse's Kick and Disease Takes Two Other Well Known People.

SEWARD, Neb., June 18.—(Special).—Three sudden deaths occurred last night near Germantown. One was that of a man named Appeneller, who died from a kick from the family horse. The next was that of Mrs. Nobman, and this was followed by that of John Ohlweiler, who was one of the oldest residents of H. township. He came to this country in 1888 and took a homestead. Mr. Ohlweiler was in his usual health last night and had just returned from the harvest when he was stricken with heart disease. He was a member of the Modern Woodmen of America. He leaves a widow and two children.

ARAPAHOE Wants County Seat. ARAPAHOE, Neb., June 18.—(Special).—The newly organized Arapahoe Commercial club is well under way with a fast increasing membership. Although organized within the last month its influence is already being felt, especially in the good roads movement. The advertising committee has wired out for an alfalfa mill, cigar factory, laundry and several other industries that will help uplift the city. One of the most important movements will be an attempt to have the B. & M. depot move to the heart of Nebraska avenue. The question of the removal of the county seat from Beaver City to Arapahoe is just now uppermost in the minds of the people of Furnas county, and the Commercial club will bring the matter to a head in the near future.

York County Needs Harvest Hands. YORK, June 18.—(Special).—York county, the banner winter wheat county of Nebraska, will, in a few days have another year's harvest on hand. The farmers are alarmed about the scarcity of harvest help. Appeals have been sent out asking that help be sent York county to harvest the crop of wheat that is nearly as good as last year. Corn is making a wonderful growth, and although the stand is not quite as good as last year, York county will have, if nothing happens, a great crop of corn. The first cutting of alfalfa has been put in the stack. This cutting averaged one ton to the acre. It is believed that farmers will cut three more crops. Cattle is the best at this time of year and promises to make a yield that will pay the farmer for sowing and raising.

St. Paul Elevators Sold. ST. PAUL, Neb., June 18.—(Special).—The Gooch Milling and Elevator Company of Lincoln yesterday bought of A. N. Conklin his two elevators and coal sheds at St. Paul and at Midway. They have also bought the elevator at Farwell owned by E. G. Taylor, and will take charge of these elevators July and operate in addition to their lines already established here in St. Paul. T. A. Clark, resident manager of the newly acquired elevators. The Gooch company has also purchased two elevators in Kansas.

Aged Pioneer Dead. ARAPAHOE, Neb., June 18.—(Special).—Elder O. S. Hasty, a pioneer of this section, and perhaps the oldest man in this section, perhaps the oldest man in western Nebraska, was buried Sunday, just one week before his ninety-second birthday. He came from Limerick, Me., to Arapahoe in 1883, when he came west to take a homestead. During his useful life here he preached in the Baptist churches at Biwood, Smithfield, Homerville and Arapahoe. His wife survives at the age of 88.

Brown Tops Market. ARAPAHOE, Neb., June 18.—(Special).—James D. Brown topped the St. Joe market this week with a choice lot of fifty-seven head of Duroc hogs. They weighed 13,600 pounds and brought him \$4 cents. They were the most uniform bunch shipped from Arapahoe this year, being almost of a size, color and weight. The Brown ranch is three miles south of town.

## John Wilson, Jr.,

## Claims Estate

Young Man from Texas Appears in Tecumseh to Establish His Identity.

TECUMSEH, Neb., June 18.—John Wilson, Jr., of Houston, Texas, a claimant for the property of the estates of the late Judge and Mrs. John Wilson of this city, arrived in Tecumseh last night to make his claim in a legal way. Judge and Mrs. Wilson left an estate estimated to be worth \$30,000, which was to go to their son, should he come to Tecumseh and claim it before July 1, 1910. The son left home many years ago, following a quarrel with his father, and, although the parents spent a great deal of money and made trips to Scotland and Alaska looking for the son, they died without realizing their greatest heart's desire, that of seeing him once more. Following their death, which occurred near each other four or five years ago, several claimants appeared for the estate. The John Wilson of Houston has declared that he would not come to Tecumseh, but his wife has been prevailing upon him and has evidently persuaded him to do so. There has been much speculation as to the rights of this man, and the outcome of his appearance here will be watched with great interest. It is said that Judge Wilson, upon his deathbed, left certain questions, with their answers, with the proposed executor of the estate, which if John Wilson can meet them, will establish his identity without doubt.

Lawyer Charged with Embezzlement. GRAND JUNCTION, June 18.—(Special).—W. H. Adams, heretofore a prominent attorney of this county, is in jail at Jefferson, with embezzlement charges lodged against him. Mrs. Elizabeth Reese brings the charge against him, alleging the embezzlement of \$1,500, which she had placed with Mr. Adams to take care of her son. The information was filed after some investigation to the amount of \$1,500 had been developed. Mr. Adams has some wealthy relatives and he has appealed to them for help, and it is thought that he will be able to make full settlement.

Smullin Disappears. BEATRICE, Neb., June 18.—(Special Telegram).—George Smullin, a collector for the Metropolitan Life Insurance company, has disappeared, and A. E. Kahl, assistant superintendent of the company here, says he has checked up his books and found him short about \$100. Mr. Smullin was in the city for several years and was active in church work. It is reported that he left Beatrice for Kansas City, his former home.

Persistent Advertising is the Road to Big Returns.

monies of the laying of the corner stone of the Odd Fellows home at York, Neb., on July 4, say that railroad accommodations are not satisfactory. The Commercial club has taken the matter up with general passenger agents of the railroad and hope to make every arrangement so that the members of the Odd Fellows Nebraska wishing to come to York can do so with no inconvenience.

FREMONT—The funeral of William Hawley, a veteran railroad man of this city, who died at Omaha Sunday, was held at the residence of his son-in-law, Fred Drew, Tuesday, Rev. W. H. Busc conducted the services. He was born in England in 1839 and in 1873 came to Marshalltown, Iowa, and entered the employ of the Northwestern railroad as a mechanic, continuing its employ at Marshalltown and at Fremont and Superior until last year, when he was put on the retired list. He was active and prominent in his church, the Odd Fellows and Fremont Men's club. In all of which organizations he was active and prominent. His wife died several years ago, and he is survived by seven children. Death was caused by cancer of the stomach.

PLATTSMOUTH—Albert Blunt, who was arrested on the charge of grand larceny, was held in the city jail by Justice Riehl in this city today. County Attorney W. C. Ramsey and J. A. Kendrick, the special agent in charge of the state road company, appeared for the state and A. N. Sullivan represented the defendant.

R. R. Smith, president of the state and A. N. Sullivan represented the defendant. The goods that the firm sold and shipped to C. L. Ross in Norway, Kan., consisting in part of a roll of olefin, cornets, everalls, two rolls of ginghams, leather belts, handkerchiefs, silk ribbon, ladies' union suits, hose, skirts, ladies' pants, ladies' waists, men's and boys' shirts, pearl buttons, ladies' skirts, etc. The box containing the goods were thrown from the freight car at about a few miles north of this city while coming from Omaha, the person having entered the car at La Platte. Several witnesses were examined.

ALABAMAHOE—The Arapahoe Farmers' association held their fifth annual meeting this week. The books showed that a fair amount of business had been transacted notwithstanding the apparent crop shortage last year. The association bought a total of 620,563 bushels of grain the last year, as follows: Wheat, 425,000; corn, 24,500; oats, 4,225, paying for the product \$90,072. Present crop prospects indicate that the association will be a fourth to a third larger business the coming season. All old officers were re-elected and the new officers resigned.

NEBRASKA CITY—Thursday evening Guy Barnhart, Miss Rosenberg, Mr. and Mrs. Wayne Garrow were out in their touring car belonging to Henry Catron, a banker of Palmyra. When near Dunbar, the steering gear of the machine broke and the entire party and the machine were over a high bank into a ravine fourteen feet below. Several of the passengers were seriously injured, and are under a physician's care. How they escaped instant death is none of the party's explain. The machine was badly wrecked, and when stopped was standing upon the rocks.

HOLDREGE—The county board of supervisors met this week for the purpose of going over the various bids for the construction of the new \$100,000 building to be erected here. There were seven bids, and their range was from \$80,839 to \$112,800. The lowest bid was made by an Oklahoma firm and provides for the use of reinforced concrete in the construction of the building. Several members of the board before formally accepting the low bid, however, left for a short trip to Oklahoma where they will inspect several buildings which have been put up in the last few years.
