a candidate for governor of Pennsylvania. ters which have been started during the first year of Mr. Knox's administration of the State department. The following statement was given out tonight by Secretary

"In my judgment there is no more fruitful field for high public service at this period than in the states, whose proper powers and relations should be appreciated, exercised and preserved for the general good of the country.

News Reaches Pittsburg. PITTSBURG, June 19-Definite announce-ment tonight of the decision of Philander C. Knox of Pennsylvania to remain in the cabinet as secretary of state during the remainder of Mr. Taft's term in office, confirmed the intimations to the same effect received yesterday from Philadelphia. Pennsylvania republicans here make no secret of their disappointment at Mr. Knox's yielding to the urgency of the president and at the dashing of their hopes that he would become the candidate this year for governor of that state.

It was made known late today in an unmistakeable way that Mr. Knox5s decision definitely refutes the rumors in circulation for some time to the effect that the secretary was not altogether happy in his

Accordingly a new forest is to be established by drawing a line east and has a mania for making counterfeit money

the two forests almost equal in size, The southern forest wil establish headquarters at Custer, with R. P. Imes, formerly with the local headquarters and now Utah, as the new supervisor. The headquarters for the northern forest will remain in Deadwood under Supervisor Kelleter and it is understood that the establishment of the new forest will not effect the local forest officials except to increase their efficiency by relieving them of much homestead contest work that is frequent in

Damages from Burlington. DEADWOOD, S. D. June 20 .- (Special.)-After a three days' sharply contested trial, George Benner obtained from a jury in the ocal circuit court a verdict for \$3,350 damages against the Chicago, Burlington & mony, experts on opposite sides testifying in direct variance as to the value of the five children in his home land. timber destroyed. The railroad made an especial effort because of the fact that the government has a similar suit pending, in which it seeks \$82,000.

Liquor Sold in Pool Room.

SIOUX FALLS, S. D., June 20 .- (Special) hall, without the formality of first securing a license, proved a very costly undertaking for L. H. Denton, a pool room proprietor of the little town of Virgil. Complaint was made that he was selling in toxicating liquor and a search of his premises by officers resulted in finding a wagonload of wet goods. Denton appeared in the state circuit court and entered a plea of guilty to the charge against him and was fined \$200 and costs, which he

Rapid City Growing. RAPID CITY, S. D., June 20 .- (Special)-Assessor's lists for the city of Rapid City are about completed and show a good growth for the last year, especially in real estate values. Assessor Edward Lynch will this week turn over his lists to County Auditor Fall. The total assessments shows an increase for the year of \$75,000. The valuations of real estate in the southwestern portion of the city show a marked increase, due to the large amount of building in that section. The figures for real estate for 1910 are given as \$921,006.

Smooth, healthy skins are a rarity in Summer. Most persons are annoyed with pimples, boils, rashes or eruptions, while others suffer more severely with Eczema, Acne, Tetter, Salt Rheum, or some kindred skin disease. All skin affections come from humors and acids in the circulation. The blood, as it circulates through the system, deposits these acids and humors in the sensitive membranous fiesh which lies just beneath the outer skin or tissue covering the body. This acrid matter causes inflammation and a discharge which breaks through the delicate cutiele and skin diseases are the result. To cure any skin trouble the blood must be freed from all acids and humors, and for this purpose nothing equals S. S. S. This great blood purifier goes down into the circulation and completely removes every particle of impurity, enriches the blood, and in this way permanently cures skin diseases. S. S. S. cures, because it purifies the blood and allows it to nourish, soothe, and soften the skin instead of irritating it with fiery acids and humors. Book on Skin Diseases and any medical advice THE SWIFT SPECIFIC CO., ATLANTA, GA.
