LAST GREAT METROPOLIS OF NORTH AMERICA.

Fort George—Now starting on main lines of Grand Trunk Pacific Ry., and on lines of six other railroads projected and building. Fort George is geographical and strategic commercial center of British Columbia and metropolis of an inland empire larger than the states of lowa and Minnesota. Fort George is at junction of one thousand miles of navigable waterways. Millions of acres of splendid farming lands, besides unlimited timber, mineral and coal resources, are tributary. One hundred million dollars will be spent in next three years in railroad building alone. By the summer of lyll, twenty-five thousand men, with payroll of one hundred thousand dollars per day, will be employed in the vicinity of Fort George. We are joint owners and sole agents for Fort George Townsite. The government insures and guarantees title to lots and owns one-quarter of them.
