 of corn, alfalfa, clover, timothy and oats. Sixteen thousand acres are said to be in alfalfa. There never was a greater prospect for a crop of winter wheat, excepting for slight damage in the winter. Next Sunday, instead of being a day of rest, and religious worship a large per cent of York county farmers will be working in the wheat fields. The children and women do not need to prepare the meals will be in the fields. High school boys and boys in the towns will be employed. Corn has made a remarkable growth, and is equally as good at this time of year as in seasons past. The demand for men to help make alfalfa hay is nearly as great as that of harvesting. York county needs laboring men for its great harvest of winter wheat and second bumper crop of alfalfa.

**Platte County Democrats Hold Their Meeting**  
 County Convention in Session During Day Before Organization of State Club in Evening.

COLUMBUS, Neb., June 27.—(Special Telegram)—Platte county democrats held their convention here today prior to the democratic meeting this evening, and besides a good attendance of local democrats quite a number of democrats from out in the state were present. In the regular order of business Chairman Gruenther called for the appointment of a committee on resolutions, but no one would make such a motion, indicating that Platte county democrats did not care to go on record. Following are the delegates to the state convention:

G. A. Schroeder, August Böttcher, J. C. Hyman, S. J. Ryan, I. L. Albert, Edgar, Edgar, Edward, E. J. Ernst, G. W. Phillips, H. Schickler, Charles Schuster, Jerry Garrig, W. J. Pratt, C. M. Gruenther, Frank Kierman, D. A. Beecher, Otto H. Heider.

Governor Schallenberger, Mayor J. C. Daneman, Congressman G. M. Hitchcock, Willis E. Reed and Senator Allen addressed the convention.

 private company. The private company, in full page newspaper advertisements, now announces another cut, bringing the rate down to cent all classes as enumerated above. The saving to every consumer of light in the city through the establishment of the municipal plant is thus apparent, aside from the saving on arc lights which now cost the city from its own plant, \$5.00 per month, whereas the city formerly paid \$12.00.

**C. E. ADAMS OF SUPERIOR MAY RUN FOR SENATOR.**

SUPERIOR, Neb., June 27.—(Special)—Captain C. E. Adams, president of the First National bank, who has been urged by many of his friends in this section of the state to become a candidate for the republican nomination for the United States senate, has decided to consider the matter and will make an announcement as to his intentions within a few days. Captain Adams has been a resident of Nuckolls county for thirty-one years and is in touch with the agricultural and commercial needs of the state. He is a life-long republican and has been a worker in every advanced measure of his party. He is a thorough believer in the majority rule and a square deal, and that honesty, integrity, principle and character should govern in public affairs as well as in private life.

**DEMOCRATS OF CEDAR CONVENTION DENOUNCE SUMMARY LAWS IN GULF OF COUNTY OPTION.**  
 HARRINGTON, Neb., June 27.—(Special)—The democratic county convention of Cedar county, this afternoon, adopted the following resolutions:

Resolved, That we, the Democrats of Cedar county, in convention assembled, reaffirm our adherence to the principles and ancient faith of the democratic party. Resolved, That we denounce all schemes and plans to foist summary laws upon this state under the thin guise of so-called "County Option," as contrary to the principles of personal liberty, the genius of our institutions, and we instruct our delegates to the state convention to use every legal and constitutional method to prevent the incorporation of any such plank in the state platform, and we further instruct our delegates to urge every voter to support the incorporation of such a plank in the state platform. The following delegates were elected to the state convention:

William Soost, R. J. Millard, D. E. Naylor, W. F. Bryant, J. R. Durrin, J. S. Jennings, John C. Gardner, Robert Edward Carroll, Leo Schremp, Henry Korff, C. F. Mackenbrock.

**Normal Board Reorganizes.**

**Lumber Dealers Complain.**  
 Eleven lumber dealers of Omaha have joined in a complaint against the railroads doing business in Nebraska, alleging the rates charged for the shipment of lumber from Omaha and South Omaha are unreasonable and unjust. The complaint was filed with the state railway commission and a formal hearing will be held at a date yet to be fixed. This complaint takes the place of the complaint filed by the Commercial club of Omaha and later withdrawn.

**Menzo Terry of Beatrice files his name with the secretary of state today as a candidate for attorney general on the democratic ticket. Mr. Terry wanted to file as a populist, but he was informed by the secretary that a warrant was necessary for him to file a petition to get his name on that ballot.**

**Ludden Salary Not Paid.**  
 Though it has been more than a week since Judge Cornish decided that Luther P. Ludden was entitled to salary as secretary of the State Normal board and that the board acted with the law when it gave him \$3 a month to get the work of a secretary done, no warrant has yet been issued to Mr. Ludden for the amount due. Attorney General Thompson is out of the city so that it is not possible to learn whether an appeal will be taken in the case. Arthur Stollenwerk, secretary of the democrats has been "playing horse" with the normal school and the normal board for about a year and a half, it is believed the legal department will put a stop to any more such play. Auditor Barton has not issued the warrants because he is waiting for the return of the attorney general to pay the warrants, upon a suggestion from the legal department. The vouchers for postage and stationery used by the normal board are also held up.

GRAND ISLAND, Neb., June 27.—(Special)—The final chapter in the domestic troubles in the family of E. Wilcox, a stockman of Cairo, nineteen miles west of this city, was enacted yesterday when a decree of divorce was granted to Mrs. Wilcox. Some time ago a young man named Paul Jensen became too much interested in Mrs. Wilcox and when objections were entered Jensen went to Denver, followed by Mrs. Wilcox. They were brought back by Mr. Wilcox and Sheriff Dunkel and efforts were made to account for the children in the Wilcox family to reunite the family. Jensen agreeing to leave the country. He did not do so for a time, until he was severely assaulted by Wilcox and son and saved from further punishment by others. Mrs. Wilcox, however, declined to go back to her family and Mr. Wilcox regretfully had no other alternative. Though not required to do so by the decree he gave to his wife \$3,000, she relinquishing any further right to the property of the family. Mr. Wilcox is almost broken-hearted and will take an extended trip in the interest of his health. The children remain in the custody of the father.

**York Has Few Politicians.**  
 YORK, Neb., June 27.—(Special)—Because the farmers are so busy gathering and harvesting and cultivating great crops of wheat, alfalfa, clover and corn, there is nothing doing in politics. Although the time of filing for nominations for county office is approaching there seems to be at this time few candidates. No interest seems to be manifested in state or national politics. Business men of York and farmers are to busy. The republicans think this is not a good omen and the democrats hope that farmers will not be so busy that they can slip in one or more into office.

**Fix Convention Date.**  
 WEEPING WATER, Neb., June 27.—(Special)—The Case County Republican central committee decided to hold the primaries on July 9 and the county convention July 16. Although this does not prevent anyone coming out, it is expected that those elected will receive the support of the party at the polls. The committee went on record against the primary law.

# "Omaha", a book of views

## To advertise Omaha; Not to secure advertising.

We are about to issue the handsomest book of Omaha views which has yet been produced. This book will contain no advertising. It is not prepared for the purpose of soliciting advertising, which would cheapen any handsome production. No expense is being spared by us, yet by running large editions, the price will be small.

The cover is a rich golden brown, embossed with gold, green and red. Each book will be enclosed in a special envelope to match. In every way, it is thoroughly artistic.

The book will contain forty-eight views, including a two-page panorama of Omaha. The material used is the finest paper we can buy. The views of Omaha are being taken under the direction of the Bureau of Publicity of the Omaha Commercial Club.

The owners of buildings are not solicited to pay for pictures, the selection is therefore made of the buildings which really represent Omaha—not those which are paid for. Other features of Omaha than business buildings will be properly represented.

The attractions and beauty of Omaha will, for the first time, be brought together—for Omaha and Omaha only.

In order to secure copies from the first edition, firms wishing to secure quantities, and newsdealers are advised to place their orders at once. For wholesale prices we will be pleased to quote prices on lots of 100 and upward and to submit samples.
