MR. EHMAN IS TOO STINGY

Allows But Three Hits and Does Not Issue a Pass.

GAME LOST IN FIRST INNING

Grizzlies Bombard Meller for Four Singles, Which, with Three Stolen Bases and a Passed Ball, Give Three Runs.

Omaha, 6; Denver, 3. King won the distinction of being the only member of the Bourke family to reach second base in the first game with Denver Thursday. In the opening round he reached first on Beal's error and stole second. He made a single in the fourth inning. Besides King three other Omaha players reached first base, Shotton, and Meller on singles and Cadman on Lindsay's error. Ehman was the stingiest pitcher who has been at the lot for some time. He not only did not let Pa's boys hit the ball but he also refused to issue a pass. The long, lithe youth had magnificent control of the ball at all times and held the game in his own hands all the way through. His home run over the center field fence in the second inning was enough to win the game. It was an exceedingly long hit, as the ball soared high over the fence back of King.

Game Lost in First Inning. The game was lost for Omaha in the first round by the consistent hitting of the Grizzlies. They played the ball hard, keeping the hits on the ground, making four safe ones which, with three stolen bases, a base on balls and a passed ball, gave Denver three runs. After that bombardment Meller did fairly well, but it was no use, as Mr. Ehman refused to weaken. He kept the twisters and benders coming fast until Shotton popped a high one in the ninth and the game was over. At no time did Omaha seem to have a chance with the twirling of Mr. Ehman.

Notes of the Game. Today is ladies' day. The Grizzlies were today. After Beal dropped King's fly he tried to redeem himself by a magnificent catch of Kane's long fly.

The entire bunch of Mountaineers had a habit of driving fast ones on the ground just out of reach of the Omaha infield.

Ehman is some peaches at the bat for long hits. Besides driving the ball over the center field fence he hit two long ones to King.

Which made two long drives which Cassidy caught just inside the fence, but they lacked enough steam to carry them over for homers.

Jack Haskell, chief of the umpiring staff of the Western League, made his appearance at the park along with the Grizzlies. He says Jeffrey will win.

Which misjudged Beal's long fly to right in the eighth and this cost a run, as it would have made the winning run if Beal afterward scored on McMurray's single.

Shotton played regularly for the first time since he had his thumb split over a week before last. He pitched today, making a splendid catch of a foul fly against the bleachers fence and also by heading out an infield grounder for a stop, making one of the three hits for the Bourkes.
