

CHAMPION

Wins in Hard Fought Match from Miss Hortense Clarke.

WINNER IS ALL ROUND ATHLETE

Has Taken Part in Many Kinds of Athletics, But Has Paid Little Attention to Tennis—Wins On Condition.

Miss Carmelita Chase was announced as the champion player of the Ladies' tennis tournament, Friday, when she defeated Miss Hortense Clarke, the runner-up, in a match of three close sets. This places Miss Chase as the champion player of the year for Omaha, as Mrs. N. P. Dodgo, Jr., who won the place last year, will not compete this year or defend her honors.

A large crowd was at the field club Friday morning to see the match of the semi-finals and the day and the courts were perfect for the event. As each player made an especially good stroke or a point after a few minutes of exciting play, the gallery applauded vigorously.

The match was close from the first serve until Miss Clarke lost the last point by letting the ball after receiving it. A large number of the games, thirteen out of the twenty-nine played, were deuce games, and one game had a total of fourteen points instead of the required nine.

Miss Chase was handicapped all through the match by the fact that she had blistered her hand by the continued use of a racket this week, and was obliged to stop several times and arrange the bandages which were necessary around the injured hand.

Miss Chase takes part in all kinds of athletics at Bryn Mawr, where she attends school, and is quite an athlete. She is an enthusiastic hockey player and is captain of the college team and is also the manager of the college basketball team, although she is only a Junior, as she is a member of the 1912 class. She is noted at school for her expert swimming and is a player of the consolation series Thursday.

Miss Chase was defeated in the consolation series Thursday morning by Miss Gretchen McConnell and Dorothy Hall. The Hall sisters put up a very good game, but found Mrs. Cudahy and Miss Moore too fast for them.

Both the winning couple are experts in puts and strokes and as they have been practicing together some they make a fine team.

For the other place in the finals a match will be played off Friday afternoon between Miss Erna Reed and Miss Margaret and Miss Laura Zimmerman and Miss Elizabeth McMullen.

Miss Fellers Wins Place. Miss Lucille Fellers won place in the finals of the consolation series Thursday when she defeated Miss Gretchen McConnell.

The match was close in the first set, as the players were very evenly matched. Miss Fellers only winning it by 7-5. Both young women play a fast game and are in excellent form. The match in doubt until two games of a deuce set had been played, when the set went to Miss Fellers.

In the second set Miss McConnell lost her grip completely and lost the set by 6-0.

This places Miss Fellers and the winner of the match between Miss Ruth Clarke and Miss Laura Zimmerman in the finals of the consolation playing. The other match of the semi-finals will be played off Friday morning after the match in the championship has been played.

All three of the young women who have a chance for the final game in the consolation are high school students. They took honors in the annual high school tournament held this spring.

In the doubles of the Ladies' tournament the semi-finals have been reached. Mrs. J. M. Cudahy and Miss Kate Moore won a place in them Thursday, and Miss Laura Zimmerman and Miss Elizabeth McMullen also.

Miss Janet Hall and Miss Dorothy Hall won a place in the morning's play. The playing in doubles will be resumed on Friday afternoon after the matches in the singles have been finished.

Doubles. Mrs. J. M. Cudahy and Miss Kate Moore beat Miss Beal Dumont and Miss Lucille Fellers, 6-2, 6-0. Miss Laura Zimmerman and Miss Elizabeth McMullen beat Miss Janet Hall and Miss Dorothy Hall, 4-6, 6-1, 6-2. Mrs. J. M. Cudahy and Miss Kate Moore beat Miss Beal Dumont and Miss Lucille Fellers, 6-3, in the semi-finals.

Consolation Singles.—Semi-Finals. Miss Lucille Fellers beat Miss Gretchen McConnell, 7-5, 6-0. This places Miss Fellers in the finals for the consolation.

TAFT AND ROOSEVELT MEET

Chief Executive and Predecessor at White House Meet at Beverly.

POLITICAL TALK KEPT SECRET

Two Friends Hold Long Conversation on Veranda of Taft Home—Reaction is Very Affectionate.

BEVERLY, Mass., July 1.—For a full minute this afternoon President Taft and Colonel Roosevelt stood on the broad veranda of the Evans cottage with hands upon each other's shoulders while delight shown in every line of their smile-enveloped countenances.

"Mr. President," it was Roosevelt who spoke, and there was earnest warmth in his greeting.

"Theodore!" They patted each other affectionately on the shoulder. They laughed in a way that left not a single lingering doubt as to the genuineness of their feelings.

"It used to be 'Mr. President' and 'Will,' didn't it?" the colonel cried in his old familiar high-pitched voice, "but now it's 'Mr. President' and 'Theodore.'"

The two friends, meeting after sixteen months' separation with all the warmth that characterizes their association in Washington, slapped each other again on arms and shoulders. And so it went throughout the afternoon.

Roosevelt Leaves Beverly. Colonel Roosevelt was in the spirit of the renewed association with the president, when, after two hours and twenty minutes spent with Mr. Taft and members of his family, he started back to Nahant to spend a second night with Senator Lodge.

Political Talk a Secret. What of politics entered into the conversation, what words of reminiscence, what exchange of experiences during the last sixteen months passed between the two men, no one on the veranda other than the two friends themselves was permitted to know.

Denies Political Activity. Colonel Roosevelt declared that he had not injected himself into the New York state political situation to the extent of endeavoring to persuade Governor Hughes to make a third gubernatorial campaign was made today by Colonel Roosevelt, following his visit to the president at Beverly.

KEEP YOUTHS ON THE FARM

Governor Eberhart of Minnesota at Conservation Congress.

COL. I. A. GEORGE VOTED DOWN

Effort to Demand Forest Reserve Be Taken from Government Control Meets with Failure.

PIERRE, S. D., July 1.—(Special Telegram.)—The largest crowd in attendance at the Conservation congress was out tonight to hear Governor Eberhart of Minnesota, who took up the question of keeping the boys and girls on the farms.

At the entrance of the grounds in which the Taft cottage is located a crowd of 100 or more persons had gathered. The secret service lines, usually drawn about the Taft cottage alone, were extended today from the entrance to the entire Burgess Point section, full a quarter of a mile away.

Colonel Roosevelt was out of the machine in a moment and as the crowd met their arms unconsciously went toward each other, and their hands rested upon each other's shoulders.

Cadets Lose Lives

Performing Duty

This is Report Made Regarding Two Midshipmen Who Drowned Trying to Save Woman.

WASHINGTON, July 1.—In the opinion of the superintendent, Midshipmen Thomas and Nanson met their death in an act of duty, while making a heroic effort to save the life of a young woman with whom they were swimming.

In these words Captain John M. Bowyer, superintendent of the Naval Academy at Annapolis, today noted the close of the naval career of the two midshipmen who last Tuesday lost their lives in trying to save from death the superintendent's daughter-in-law, Mrs. Joseph M. Boyer.

The notation was made on the official report to the Navy department of the board on inquiry, which concluded that the death of the midshipmen "was occasioned by an act of duty—swimming exercises—in which they were engaged when it occurred."

DUNDEE HAS TOWN MEETING

Residents Decide to Postpone Paving and Order Curbing, Parking and Sewer at Once.

Residents of Dundee in a spirited meeting decided last night to let the paving work be postponed until next year. The meeting was held in the rear of a grocery store at Fifteenth and Underwood streets. R. C. Peters acted as chairman.

It was voted that the curbing and parking improvements be undertaken at once. Plans for this work will be made immediately. It was also voted that a storm sewer be built at once.

Missing Girl's Body Found in Missouri River

Anna Wendler Taken from Water by Fisherman—Young Woman Murdered is Believed.

JEFFERSON CITY, Mo., July 1.—The body of Miss Anna Wendler of Osage City, Mo., who disappeared Tuesday, was found in the Missouri river by fishermen tonight, at a point five miles west of Osage City.

Miss Wendler left her home to visit neighbors and had apparently started on the way back when she met death. Her basket, shoes and parasol were found on the river bank about two miles from Osage City this morning. Alongside of them were a pipe and a package of tobacco.

Whether she was killed at the place where her effects were found and carried up the river in a boat or made to walk to the scene of her death, are theories being investigated by the Osage county coroner.

Farmers and residents of Osage City are searching for the murderer and a lynching is feared in the event he is caught.

Mrs. Vanderbilt Up in Aeroplane

Daring Enthusiast Takes Trip with Clifford B. Harmon—Smiles When It's Over.

NEW YORK, July 1.—Mrs. William K. Vanderbilt went up with Clifford B. Harmon in his aeroplane at Mineola, Long Island, today. The flight was cut short because spectators got in the way.

Both he and Mrs. Vanderbilt were jarred in coming down but neither was injured. The shock loosened several bolts in the machine and slightly damaged the rudder. Mrs. Vanderbilt, thrilled by the experience, walked smilingly back across the field and joined the enthusiastic spectators.

UNIQUE AUTO EXHIBIT GIVEN

Section of Chalmers Car Chassis is Demonstrated at Frederickson's Garage.

On exhibition in the H. E. Frederickson garage is the chassis of a Chalmers car cut through in a half section, so as to display its most intricate parts. From the radiator to the rear axle the car's parts are open to minute inspection and are rendered more discernible by numerous tiny electric lights adjusted about them.

Several of the company's expert drivers and mechanics are in charge of the exhibit, demonstrating its features. The sectional machinery is set in operation for the benefit of spectators by a separate motor. The exhibit will be conducted for several days.
