GRAVE ROBBERS ARRESTED

Detective Catches Boys Charged with Wholesale Vandalism.

STOLE KRUG'S GRAVE FLOWERS

Four Youths Are Found to Have Sys tematically Stripped Resting Places of Dead and Sold Frames to Florist.

Robbing graves of flowers and flower frames is the goulish vandalism charged against four boys who were arrested Saturday morning. Information has been found that the youths dismaniled the last resting place of the late William Krug, and that several other graves in Prospect Hill cemetery likewise have been robbed.

Nathan Norton and John Norton of Twenty-sixth and Lake streets, Loyd Allen and Winslow Ailen of Thirtieth and Lindsay streets are the boys who were arrested by Detective Dunn. It is stated that the boys stole a great number of the standards and sold four of them Friday to Charles Ederer, a florist at Thirtleth and Bristoi streets. These frames were taken from the grave of William Krug.

Not First Offense.

Mrs. Ederer said Saturday that from time to time they had purchased the frames from these boys, and that they were told by the lads the frames came from the dumping yard of the Forest Lawn cemetery, where they were thrown out and destroyed. When it was found that the graves it Prospect Hill had been robbed, the local authorities began work on the case, with the result that the four boys were arrested Saturday, and have been turned over to juvenile court charged with larceny. When making the sale Friday the boys told Mr. Ederer that they had more frames which they had found and intended to sell, but that fney had been stolen from them. It is supposed that the boys are responsible for the other frames that are missing from the cemetery. It was said by the police that the damage, if it could be estimated at all, would amount to \$1,000.

TREASURER IS TOO BUSY TO TAKE PEOPLE'S MONEY

Closes His Door Saturday to Catch Up on Some of the Back Work.

Taxpayers who waited until the last minute to walk up to the captain's office found the treasurer's office closed Saturday morning. A sign on the door told them the office would be closed all day and continue closed until Tuesday morning

The rush to pay taxes the last few days has been so great it was found necessary to close the office to get the work of the treasurer's office cleared up in good shape. During the rush the treasurer has not asked for extra help and the commissioners have not tendered any.

The penalty on personal taxes began to run with the close of June and many who came late were inclined to give vent to some warm language.
