DONAHUE TO THE GOVERNOR

Chief of Police Says Saloon of Omaha Live Up to the Law.

MAY BE SOME VIOLATIONS More Vigilant Care Might Prevent.

GOVERNOR'S LETTER TO CHIEF Governor Makes Covert Threats in His Message.

BOARD HEAR'S DONAHUE'S REPLY Letter of the Chief is Approved by the Board and Will Be Sent the Governor Today.

Declaring that the laws of the state are being lived up to by Omaha saloon keepers, both in regard to closing hours and the selling of liquors without a license, Chief of Police Donahue has sent a letter in reply to the communication from Governor Shallenberger. The chief's letter, which was submitted to and approved by the Board of Fire and Police Commissioners, says there may be some violations, but that they are not such as might be prevented by diligent care on the part of the Omaha police force.

The letter, which will be mailed Thursday, reads as follows: "OMAHA, July 6, 1910.—To His Excellency, Jefferson Shallenberger: Your letter of July 23 is at hand and contents read and carefully noted.

"I herewith enclose you a copy of the resolution passed by the honorable Board of Fire and Police Commissioners, dated October 12, 1909, which is the only resolution on record passed by the board. There is no record of any other resolution being introduced or voted upon by the board, and your informant has certainly misled you in stating anything to the contrary.

"I beg to assure you that the police department is endeavoring with all reasonable diligence to carry out the dictations of the board in the limited numbers and resources which permit, and further, that if you have evidence in your possession furnished by reliable citizens that liquor is being sold after 8 o'clock p. m. by saloons or in any other place in this city, I will be glad to file complaints upon receipt of the same and cause the arrest of the parties. I know of no way in which those surreptitious sales can be stopped unless we should raid them every day and station officers in and about clubs and other places to prevent the sale of liquor. If you could advise that I should take steps to raid those clubs and station officers within of about the premises to prevent further violation, I will gladly submit your advice to the mayor and Board of Fire and Police Commissioners and act upon their instructions.

"I am free to say without fear of contradiction that the saloons of this city are living up to the law almost to a certainty at closing at 8 o'clock p. m. and remaining closed until 7 o'clock a. m. of course, there may be places which make a sneak show and then, but they are few, and I assure you that our officers have been instructed to look again to keep a strict lookout for saloons at or about the places where they may be violating the 8 o'clock closing law or selling liquor without license.

"The text of the letter from Governor Shallenberger to Chief Donahue, of which the governor says he kept no copy, is as follows:

STATE OF NEBRASKA, Executive Office, July 2, 1910.—Dear Sir: Attention has again been directed to conditions with reference to the sale of intoxicating liquors in your city and particularly the failure to observe the 8 o'clock law. In the latter part of the month of June, a hearing was held before me, under a complaint filed by Binne Thomas, et al., against the mayor and police commissioners of Omaha, and the testimony disclosed that figures were being sold in violation of the law in houses being operated in your city. Under the resolution adopted by the fire and police commissioners directing the enforcement of the law, with special reference to the 8 o'clock closing law, it is provided that any saloon or place where liquor is so illegally sold after 8 o'clock p. m. shall be closed by the police, and the license therefor shall be suspended until the violation ceases. It is your duty to see that this law is strictly and honestly observed, and if you are unable to do so, you are advised that the license of any such saloon or place shall be suspended until the violation ceases. The evidence before me at this time shows that not only is liquor being sold after 8 o'clock p. m. in the so-called 'red-light' districts in Omaha, but that open violations of the 8 o'clock closing law are so daily on the principal thoroughfares of the city in places where liquor is so illegally sold after 8 o'clock p. m. City hotel, Tenth and Harney streets, street, up stairs. City Green, proprietor, 609 1/2 South Tenth street. Above Masterson's Coffee House, 715 South Eleventh street. 111 Douglas street, up stairs. 1221 Douglas street, Mrs. Pat Moran's place. 117 Douglas street. Colonial, between Tenth and Eleventh streets, on Farnam street, stairs above saloon. (Menu in this place reads, 'Drinks served as usual at all hours.') The Pavilion, corner of Tenth and Harney streets. 318 South Tenth street, P. J. McCarrie's place. Midway saloon, Capitol Avenue and Twelfth street. In addition to these places, various so-called clubs are selling liquor after 8 o'clock p. m. some of which, so I am told by officers of the police, were formed for the purpose of selling liquor to raise money to defray campaign expenses and other purposes of certain individuals. To illustrate, one political club for 25 cents sells keys indiscriminately to any and all persons who

Rush to Unload Stock Causes Another Drop

Leading Railroads and Industrials Open Lower and Fall Rapidly— Rally at End of Half Hour.

NEW YORK, July 6.—There was a crash in prices of stocks with the opening of the stock market again today. The paralysis of demand and the free offerings were similar to yesterday and produced like results in the rapid crumbling of prices.

The tone of the comment reported from interior bankers and the situation presented by the speculation in farm lands were not liked. The slump made low prices of the year in a few prominent stocks, including Union Pacific, Reading and United States Steel. Prices rebounded in the course of the first half hour. This was after Reading, Union Pacific, Kansas & Texas, Wabash, pfd., Rock Island, Chesapeake & Ohio, American Car and some others had shown losses of 2 1/2 to 3 points and the general active list 1 1/2 points.

Kincaid's Car Leaves the Track

Professional Driver of Racing Cars Killed During Trial Spin at Indianapolis.

INDIANAPOLIS, July 6.—Thomas A. Kincaid was killed at the Indianapolis motor speedway this afternoon. He was on the track in trial practice when the car, a National, ran off the high embankment at the southwest corner of the course. He was caught beneath the wrecked car. Kincaid had been employed by the National Motor company for several years, and during the last two years had been engaged exclusively in driving racing cars. He lived in this city and was unmarried. He drove a car in the speedway races this week.

Birds Pierce Eyes Out of Bloodthirsty Kitten

Two jaysbirds and a kitten engaged in ferocious combat on the lawn in front of 425 Burdette street last evening, and when the mill was over the cat sunk into solitude under the front porch, blind in both eyes. What Johnson did to Jeffries at Reno was mild in comparison to the walloping those two birds gave the cat. And it all came about because the cat butted in between and tried to maul a baby bird which fell from the nest in a nearby tree. The kitten had the young bird between its paws and was almost in the act of devouring it when down from somewhere in the clouds swooped the two old birds. They flew around the head of the cat several times, making a chatter of noise that could be heard a block away.

DIRECT DENIAL BY ROOSEVELT

Former President Makes Statement About His Interview with Congressman Poindexter.

NOTHING ABOUT NOMINATIONS Colonel Says He Expressed no Opinion About Senatorial Contest.

HE WILL SEE MANY CALLERS Expects to Discuss Public Affairs with Men of All Opinions.

SPEAKS IN PITTSBURG IN FALL Receives Delegation of Citizens from the Smoky City and Ex-Governor Montague of Virginia.

NEW YORK, July 6.—Theodore Roosevelt is to talk politics with the "regulars" as well as the "insurgents." When he arrived at his editorial office in New York today from Oyster Bay he announced that he was to see William Barnes, Jr., and James W. Wadsworth, Jr. These men are two of the leaders of the New York state republican organization which last week went contrary to the wishes of Governor Hughes and Colonel Roosevelt and defeated the direct nomination bill. Colonel Roosevelt set no date for his interview with these men. His talk with Mr. Barnes at least will be delayed for some time, as the Albany man sailed today for Europe for a rest of a month.

The colonel refused to make any comment on Mr. Barnes' statement of yesterday that he did not "take his orders from a former president or a governor. Colonel Roosevelt said also that he was to see Senator Beveridge of Indiana and Congressman Hamilton Fish of New York soon. Colonel Roosevelt received a delegation of Pittsburghers today and promised to make an address in Pittsburgh in the fall. Ex-Governor A. J. Montague of Virginia also called on Mr. Roosevelt.

Statement by Roosevelt. Colonel Roosevelt today gave at the Outlook office the following statement in reference to a visit at Sagamore Hill yesterday of Representative Poindexter of Washington:

"Colonel Roosevelt will see senators and congressmen, assemblymen and other people representing all phases of public opinion. He declines to be responsible for any statements excepting those which he himself makes. He has said nothing and intends to say nothing as to any contests for a nomination. If he has anything to say on such a subject it will be over his own signature.

"All that Mr. Roosevelt said in this case was that he was pleased to find that as he had expected from Mr. Poindexter's past record, Mr. Poindexter was in hearty sympathy with Mr. Roosevelt's views as a former president and similar subjects. Mr. Roosevelt expressed no opinion about the senatorial contest and Mr. Roosevelt believes Mr. Poindexter is not responsible for the statements which have appeared. Certainly insofar as these statements have been made by Mr. Roosevelt except as above indicated they had no foundation whatever in fact."

Colonel Roosevelt's statement was called forth by the fact that he took exception to special dispatches from Oyster Bay last night in which he was quoted directly as saying that he would support Mr. Poindexter in his contest for a seat in the United States senate.

STATEMENT BY BALLINGER

Secretary Says Congressman Poindexter is Socialist.

WASHINGTON, July 6.—Secretary Ballinger of the Interior department, returned to Washington from Beverly today. Referring to the report from Oyster Bay that former President Roosevelt had endorsed the cause of Representative Miles Poindexter as a candidate for the senate to succeed Senator Flies of Washington, the secretary said:

"If the published report is true, Mr. Roosevelt has been led astray by the deception of people who claim to be his friends. He added that he had taken no active part in the politics of Washington for a long while and denied that he headed the party in that state or any wing of it.

"I do not consider Mr. Poindexter a republican," he continued, "but a rank socialist, or rather, if he is not one, he will be one soon."

The secretary declined to discuss the organization of the reclamation service insofar as it related to Director Frederick H. Newell, whose fate has long been a matter of conjecture, except to say that he considered Mr. Newell's relation to the service as his head a misfortune.

Jenkins shot him after coming onto him unexpectedly.

CIRCUS TENT IS BLOWN DOWN

Tornado Strikes Watertown, S. D., While Ringling Show is On.

ONE KILLED AND MANY HURT

Storm Covers Wide Area in Western South Dakota and Eastern Minnesota—Damage is Very Extensive.

WATERTOWN, July 6.—(Special Telegram.)—Ringling Brothers' circus tent was struck by a tornado here last night and several were injured. One person was killed and the main tent and manager's tent are in ruins and two horses killed. The dead man was a circus employe and the injured are said to be performers.

Neither the name of the dead man nor those of the injured could be ascertained from the circus management. The loss to the circus is estimated to be \$20,000, while the damage in this city is estimated at \$5,000 in broken plate glass, trees, etc.

A large crowd was in the tent when the storm struck. The management of the circus warned the spectators of their peril and there was a stampede for the exits as the tent began to sway and the big poles were lifted from the ground. The animals in the menagerie tent were locked in their cages and the elephants had been loaded on the cars when it was seen that a storm was coming and this undoubtedly averted a stampede.

The storm covered an area about 100 miles long and twenty-five miles wide, with Watertown as the center. A big machinery warehouse here was demolished, scores of smaller buildings ruined and hundreds of trees uprooted. Reports of many big farm barns being wrecked are coming in, while hundreds of windmills are down. About an inch and a half of rain fell in less than twenty minutes. The rain was a blessing to some sections, while the wind did damage to crops. The corn was blowing from the ground in some fields, but it will recover.

YANKTOWN, S. D., July 6.—(Special Telegram.)—Nearly three-quarters of an inch of rain last night, the first in a month, came just in time to save the crop situation here.

State Gives Out New Sensation in Brown Case

Chicago Grocer is Charged with Attempting to Corrupt Member of the Panel.

CHICAGO, July 6.—A fresh sensation in connection with the legislative bribery scandal arose today when State's Attorney Wayman announced that an indictment had been voted charging John A. Maloy, a grocer with attempting to corrupt Oscar T. Morford, a juror in the recent trial of Lee O'Neil Brown.

Morford, his wife and his father, Theodore Morford, testified before the grand jury. Mrs. Morford said shortly after the Brown jury had been sworn she went to Maloy's grocery. Maloy, she said, gave her two cigars which he asked her to give to her husband, who had been accepted on the jury. According to State's Attorney Wayman, Mrs. Morford testified that Maloy asked her to use her influence to persuade her husband to vote for the acquittal of Brown, holding out as a reward for so doing that Morford "would not have to work for a railroad any more," as he "would get a lump of money."

Morford, who is a switchman, voted consistently for the conviction of the defendant. When seen by reporters, Maloy indignantly denied he had sought to influence Morford. "Morford has been on my books for years," said the grocer. "He's on them now. It's all a lie."

SPRINGFIELD, Ill., July 6.—Senator John Broderick of Chicago and Representative Joseph S. Clark of Vandavia, indicted in the legislative bribery probe, Broderick for bribery and Clark for conspiracy to bribe, failed to put in an appearance in the Sangamon circuit court today to give bond as was expected.

Stolen Express Money Orders

Three Men Arrested in Milwaukee on Charge of Trying to Negotiate Bogus Paper.

MILWAUKEE, July 6.—Three men are under arrest at the central police station for attempting to pass express company money orders, said to have been stolen from the United States Express company in Chicago.

They gave the names of Ernest Anderson, 24 William Miller, 32, and Martin E. Lee, 31 years old, all of Chicago. When arrested the men had nearly \$2,000 in their possession.

Alleged Hold-Up Man Taken. SANDUSKY, O., July 6.—After a chase lasting throughout the night, Frank Connelly, said to be one of the two holdup men who failed in an attempt to take \$5,000 from a safe of the Cedar Point Ice company at Cedar Point, late last night, was captured by a posse today. He was taken from an employe of the company.

BOSTON, July 6.—That the boy who wants to learn to dig a ditch, harness a horse, use a plow or milk a cow would go in vain to the colleges of agriculture in the country, Dick J. Crosby of Washington, D. C., a specialist in agricultural education, told the department of rural and agricultural education of the National Education association convention today. There are 300 more secondary schools and colleges teaching agriculture than there were fifteen months ago, he said, but they teach theory only. Prof. G. F. Warren of Cornell university quoted figures to show that ten college-bred farmers averaged \$67 yearly income against an average of only \$113 for the farmers whose education had been limited to the district school.

JOHNSON VISITS IN OMAHA

World's Champion Arrives Here During Night Enroute East.

TRAVELS IN A SPECIAL CAR

Local Sportsmen and Colored People at Station Give the Champion Pugilist a Royal Welcome.

Large numbers of the colored people of Omaha gathered at Union station last night to wait for the coming of Jack Johnson, champion of the world. The train was somewhat late, but that did not stop his admirers from waiting to pay their homage to the man who was successful against James J. Jeffries.

Johnson is traveling in the special car "Redondo," on the Union Pacific from Ogden, and will be transferred to the Northwestern line from this point. He will only wait fifteen minutes at the Omaha station, leaving at 11 o'clock for St. Paul.

Prominent among the crowd welcoming the fighter in Omaha were the members of the Independent club. The club had selected Charles Coleman, Frank Goldman, and Henry Buford, the president, secretary and treasurer of the club, respectively, to act as its representatives in the reception committee. Other prominent men of the colored sports of Omaha who were on hand were F. J. Thompson, Lee Travis, Bruce Kirby, William Barringer, Herbert Wadsworth and J. W. Pinkerton.

The special train, "The Cyclone," carrying a number of Wall street and New York sporting men, arrived in Omaha last evening from Reno. The crowd is reported as not quite as hilarious as when it passed through here on its way west for the reason that the majority of them had their money and quite a roll of it placed on Jim Jeffries when Mr. Johnson placed it of his.

OAKLAND, Cal., July 6.—James J. Jeffries arrived in Oakland at 8 o'clock this morning in a private car. He was accompanied by his wife and a number of intimate friends. He was taken in an automobile to a hotel and immediately secluded himself.

He refused to see any visitors, even declining to see even personal friends, even when they arrived to extend their condolences. Jeffries will leave for Los Angeles tomorrow morning and go at once to his ranch.

SOUTHERN CITIES RAISE BAR Authorities of Louisville Say the Pictures May Be Shown in that City and Others Do Likewise.

WASHINGTON, July 6.—Moving pictures of the Jeffries-Johnson fight cannot be shown in this city or elsewhere in the District of Columbia. The district commissioners today instructed the superintendent of police to prevent exhibition of the films under the law which gives the commissioners authority to preserve peace and order by police measures. The word went out to the proprietors of more than 100 theaters, who expected to reap a harvest as soon as the films arrived.

The commissioners are convinced that to allow the pictures to be shown would cause a repetition of the riotous scenes of the night of July 4, when the police made 25 arrests in quelling disturbances.

HAIRSBURG, Pa., July 6.—Mayor E. S. Mehn today issued an order prohibiting the showing of the Reno prize fight pictures in this city. The mayor said that Hairsburg has many colored people and that he could not take any chance of disturbances.
