

Western Union Stops Service to Bucketshops

Serves Unexpected Notice in Ten Eastern Cities of New Policy.

NEW YORK, July 8.—Without explanation and without warning the Western Union company discontinued its service yesterday to brokers in ten cities of this state and Pennsylvania. The cities affected are: Pittsburg and Johnstown, Pa.; Syracuse, Illinois; Rome, Utica, Gloversville, Auburn, Watertown and Cortland of this state.

WASHINGTON, July 7.—On its own initiative, not on orders from the Department of Justice here, the Western Union Telegraph company has discontinued its service to a number of stock brokers' offices in New York state and elsewhere.

MRS. VIOLA BELEWS GETS TICKET TO OMAHA

Woman Claiming This City as Her Home Given Aid to Return.

CINCINNATI, O., July 8.—(Special Telegram.)—Upon the recommendation of the police department of Cincinnati, Superintendent Moore of the Cincinnati City Infirmary has given to Mrs. Viola Belews, a woman of Omaha, her transportation to that city.

WILL OF NEWSPAPER HERIT

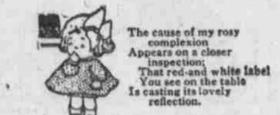

Man Who Lived on Sixty-Five Cents a Week Leaves Savings to Church.

PITTSBURGH, Pa., July 8.—The will of Nicholas Dado, a former newspaper man, who had lived for years a hermit like life on 65 cents a week, as he boasted, was filed today directed \$1,500, which he had saved, be forwarded to the "Holy Land and the Borrowed Mother and Blessed Virgin church erected 1,500 years ago in the path of the cross."

FROZEN EGGS ARE SEIZED

Over Twelve Tons Condemned as Unfit for Food at Refrigerating Plant in Brooklyn.

NEW YORK, July 8.—More than twelve tons of frozen or desiccated eggs, shipped here from Chicago, were seized as unfit for human consumption at the Kings County Refrigerating company's plant in Brooklyn today.

No appetite? Then don't try to eat a heavy meal. It will do you no good. Instead, try a plate of Campbell's Tomato Soup.

It eat it with croutons or biscuit or plain bread-and-butter. The first taste gives you an appetite. A plate or two satisfies you.

21 kinds 10c a can. Just add hot water, bring to a boil, and serve. We're glad to send you Campbell's Menu book any time, for the asking.

July Magazines

In Harper's for July W. D. Howells contributes "My Memories of Mark Twain," and Robert Russell writes on "A Portuguese Pilgrimage." Christian Brinton has a paper on "A Group of Modern English Painters," and W. W. Keen contributes an article on "The New Surgery."

The July Atlantic makes its leading article on "Puritanism," by Guglielmo Ferrero; Henry Watterson, editor of the Louisville Courier-Journal, contributes a paper on "The Personal Equation in Journalism," in which he quotes, with complimentary allusion, from an article by Victor Rosewater of The Bee.

Lippincott's for July contains a novel, entitled "The Lady Thalia," by Henry C. Rowland. Mary Roberts Rinehart, Elsie Singmaster, and others contribute short stories.

In the North American Review for July Lord Curzon has an article on "British Rule in India." Archbishop Ireland writes of the work of a Protestant body in Italy, and Charles Johnston has a paper entitled "The Foreign Policy of the United States."

The Popular Science Monthly for July contains the following articles: "A Naturalist in the Straits of Magellan," by Dr. Charles Haskins Townsend; "The Future of the Human Race," by Prof. E. D. A. Cochrane; "Modern Medievalism," by Dr. Frank T. Carlton; "Paleontologic Evidence of Climate," by J. W. Stanton; "Instinct and Intelligence in Birds," by Prof. Francis H. Herrick; "Medical Education in the United States" and "Robert Koch."

The July number of Country Life in America is devoted largely to outdoor interests—pursuits that tend toward comfort and coolness. The personal interests of country living are not neglected, however—house-building, horses, dogs, poultry, amateur photography, etc.

The July issue of Cassier's Magazine contains articles of interest both to the engineer and to the general reader, and of particular interest is an account of the grain exports of southeastern Europe, which has transformed some comparatively unknown ports.

In the July Progress Magazine Christian D. Larson discusses the "Cure of Poverty," P. Harvey Middleton gives an account of the life of James Earl Ray, and Charles E. Ricker of Harvard contributes the second part of his series on "Experimental Psychology" and Rene Manfield tells "What

MOB LYNCHES YOUNG NEGRO

Man Charged with Robbery and Arson Meets Death at Huttig, Arkansas.

LITTLE ROCK, Ark., July 8.—Sam Powell, a negro charged with robbery and arson, was hanged by a mob at Huttig, Ark., late last night, according to a dispatch received here tonight.

ROCKEFELLER HAS BIRTHDAY

Celebrates 71st Anniversary at Forest Hill—No Special Arrangements Mark Observance of Day.

CLEVELAND, July 8.—John D. Rockefeller will celebrate his 71st birthday tomorrow at Forest Hill, his summer home. According to his custom no special arrangements have been made for the observance of the anniversary.

In Alans's for July there is another installment of Anthony Partridge's serial, "The Golden Web," and among the contributors of short stories are E. B. Lancaster, Kingsland Crosby, Merma Whitaker, Kathryn Jarboe, Adele Leubman, Jane W. Guthrie, Johnson Mourtin and Charles Neville Buck.

The July Forum is the first number to be printed by Mitchell Kennerly. Among the contributors of fiction are H. G. Wells, George Meredith and Frank Harris.

The July Review of Reviews contains "The Case of Paladino," by Joseph Justrow; "The Counting Crisis in China," by Adachi Kinoshita; "Cancer as a Known Today," by Isaac Levin; "The Disease-Carrying House Fly," by Daniel D. Jackson, and Granville W. Mooney writes on "A New Personality in Ohio Politics."
