This simple remedy, a harmless, soluble liquid, enabled me, permanently to find entire relief from all trace of unwelcome hair, and forever end all embarrassment It is simple, safe, aure and can be inset privately at home, without fear of pair or blamish. It makes the electric needle entirely unnecessary. I will tell in detail full particulars to entitle aver entities wiferer to achieve the

July Road Races.

When a "stock" motor cycle behaves too finely at a road race, many interested ones are prone to immediately exclaim: "That's not a 'My Friends Are Urging Me to Become a stock machine," etc. "Ali, that's a special."

But suspicious ones were neatly disapponted at the Fourth of July road races, "Why, Papa, I Don't wear that as high Heeled Shoes as Other Girls Do." "No. I Wouldn't Go Across the Street to See a Prize Fight." "I Can Sleep Ever so Much Better in a "I Can Sleep Ever so Much Better in a when the "Excelsior" motor cycle, which

> The prize capturing mount was "dissected" in full view of a committee of local dealers, and it was quickly proved that the oft winning "Excelsior" was an ordinary stock machine, taken from a lot of many of the same kind at the salesrooms of The Nebraska Cycle Co.

In the first race, a twenty-mile road race for single cylinder stock machines. the "Excelsior" took first prize in the face of twelve contestants.

The second race was a twenty mile Lady Will Send Free to Any Sufferer free-for-all for single and "twin" cylfinder slock machines. In this race the

"Excelsior" entered by The Nebraska Cycle Co. was the only single cylinder among eight entries, yet it came out with second honors. Even though a single cylinder against "twins", this "Excelsior" won second place, losing first place by only six seconds, and passing the fifteen mile post even with the "twin" cylinder that took tirst prize.

All of which goes to show that a "single cylinder", if an "Excelsior", can do stunts on a race track. Sole ugency at The Ne braska Cycle Co., Fiftsenth and Harney streets. Omains.
