CHOSS TEAM IS SHUT OUT

Americans Turn the Trick Through Saperior Playing.

The Americans defeated the J. S. Cross

Woodmen Lose Game. On Fort Crook diamond Sunday afternoon the post team defeated the strong Wood-men of the World team of South Omaha by a score of 2 to 1. The feature of the game was the pitching of Thomas of the post team who kept his hits well scattered. The post team had hardly gotten into shape to play ball, but under the eye of Captain Thomas and Lieutenant Farnham

they expect a team that will be hard to handle, as there is some very fine material for a team in the Fourth infantcy.

There are certain mineral medicines which will temporarily remove the external symptoms of Contagious Blood Poison, and shut the disease up in the system for awhile, but when the treatment is left off the trouble always returns in worse form. But that is not all; the delicate membranes and tissues of the stomach and bowels are usually injured by these strong minerals, and frequently stomach trouble, chronic dyspepsia, and mercurial rheumatism are added to the destructive blood poison. S. S. S. is the only remedy that can be used with perfect safety in the treatment of Contagious Blood Poison, and with the assurance that a lasting cure will result. This medicine, made entirely of non-injurious roots, herbs and barks of recognized curative and tonic value, removes every particle of the virus from the circulation, and by enriching and strengthening the blood removes every symptom permanently. S. S. S. does not hide or cover up the disease in any way, but cures it by removing it from the system Home Treatment Book, and any medical advice free to all who write. THE SWIFT SPECIFIC CO., ATLANTA. GA.

Their price—a pleasant surprise when you've found out how good they are-5 cents.
