I made an awful row about it, and he looked puzzled, which annoyed me still more. Blondy, knowing nothing of this, felt very popular and was rather snippy

After her picture she came down among the audience from the side of the stage. But she had completely forgotten in the excitement of the moment that her costume had no back to it, and when she turned around everybody nearly had a fit. She did look funny, as she had rather a short petticoat on, though I'll admit it was hand embroidered. I went right up and told her about it as kindly as I could. I had put an evening wrap over my own dress, and I told her how sorry I was I couldn't lend it to her, as my own skirt was made the same way. Finally Godfrey got her a motor coat. Now, wouldn't you have thought she would have appreciated any kindness in being the first to tell her
