Most persons are annoyed with pimples, boils, rashes or eruptions, while others suffer more severely with Eczema, Acne, Tetter, Salt Rheum, or some kindred skin disease. All skin affections come from humors and acids in the circulation. The blood, as it circulates through the system, deposits these acids and humors in the sensitive Calara A Durham. membranous flesh which lies just beneath the outer skin or tissue covering the Beatrice and Wymore Tie. body.
