AD CEUB CALLS FOR AUTOS Wishes Cars Enough to Take Delegates to the Field Club.

GOOD NEWS FROM ALL SIDES

Omaha Will Be Called Upon to Entertain Horde of Newspaper Men from All Parts of the Country.

"If Omaha automobile owners will fursish machines to take the delegates to the Ad club national convention to the Field slub Tuesday noon, we shall never turn the list into the askessor's office nor otherwise embarrass the owners, but they will do Omaha more good than any one little proposition we now have on hand." This

is the agreement which the automobile committee of the Omaha Ad club is willing to make in order to secure machines for the trip Tuesday noon.

Home Miller is chairman of the committee to secure cars and he has written to 750 local owners. Less than eighty have so far responded, which means accommodations aranged for about 220 persons out of the 500 or 600 pecessary.

The advertising men, who'meet in Omaha next week, represent the largest newspapers, agricultural publications and maganines in the United States, and as Omahe is seeking favorable information through these publications, the Omaha Ad club and the publicity hureau of the Commercial club are anxious to make a good impresion. It is proposed to leave the Boyd lheater in automobiles promptly at 11:30 Tuesday morning and take the guests of the city for a. short ride over the boulevards and about the residence part of the city, arriving at the Field club promptly at 12:36 p'clock.

'We would hire automobiles and not ask owners to bring their machines, but we cannot hire enough to do us any good," says Mr. Miller.

"I had the privilege of seeing the Lincoln business men take the postmasters for a ride Tuesday," said Will A. Campbell of publicity bureau. "They had all the the machines they needed-four abreast for a block in front of the Lincoln hotel. If Lincoln and every other city we visit can give automobile rides, we believe Omaha owners will be glad to furnish their machines when they understand the situation. The biggest hit Kansas City made during the Ad club's convention there was the generous way in which automobiles were furnished-not for one hour, but for a whole forenoon. The Omaha club is asking for only one hour to take the party to the Field club."
