

Nebraska COMMONER TO SHARE IN PIE Governor Will Try Persuasion and Patronage on Peerless One.

CHANCE TO PRINT AMENDMENT

Democratic Papers Throughout Nebraska Designated to Publish Notices Before Election—Demos Rush to Sign Statements.

(From a Staff Correspondent.) LINCOLN, July 19.—(Special.)—Believing that a soft answer turneth away wrath, Governor Shallenberger today designated the commoner as the one democratic paper in Lancaster county which should publish the proposed constitutional amendment to be submitted to the voters at the fall election.

Beside the commoner, the governor designated papers in all the counties of the state, except in six, which are to be named later, or as soon as the governor has investigated them. The law which gives the governor the authority to designate the papers in which the proposed constitutional amendments shall be published was enacted by the democratic legislature last winter, which sought to keep all the pie in the democratic ranks.

Papers in List.

The governor certified this partial list of papers to the secretary of state today. The list includes the following papers: Adams County Democrat; Hastings; Register; Banner County News; Lewisburg; Brewster News; Brewster; Argus; Albion; Herald; Alliance; Boy's County News; Ankeny; Brown County Democrat; Alhambra; Democrat; Kearney; Mirror; Leeward; Butler County Press; Daily City Journal; Plattsmouth; Cedar County News; Harrison; Breeze; Waverly; Democrat; Valentine; Telegraph; Sidney; Democrat; Sutton; Journal; Howell; Cumming County Democrat; West Point; Custer County Democrat; Broken Bow; North Nebraska Eagle; Dakota City; Chronicle; Chadron; Clipper; Union; Lexington; Republican; Cheppell; Dixon County Leader; Ponca; Herald; Fremont; Nebraska Daily Democrat; South Omaha News; Herald; Gazette; Chronicle; Tribune; Bloomington; Chronicle; Moorefield; Pioneer; Arapahoe; Gage County Democrat; Beatrice; Garden County News; Lowell; Tribune; Burwell; Bulletin; Elwood; Leader-Independent; Greeley; Free Press; Grand Island; Sun; Aurora; Harlan County Journal; Alliance; Hayes County Republican; Register; Trenton; Holt County Independent; Neligh; Photograph; Press; Paul; Journal; Fairbury; Johnson County Tribune; Tecumseh; Courier; Minden; Kimball; Nebraska News; Orestal; Creighton; Communion; Lincoln; Telegraph; North Platte; Loop City News; Taylor; Enterprise; Battle Creek; Republican; Central City; News-Blade; Bridgeport; News-Journal; Fullerton; Nemaha County Herald; Auburn; Express; News; Nebraska City; Chief; Pawnee City; Perkins County Sentinel; Grant; Progress; Holdrege; Leader; Pierce; Superior; News; Democrat; Osgoode; Reporter; Indianola; Falls City News; Falls City; Leader; Bassett; Democrat; W. Candidates for Bryan.

The hopefulness of the democrats to carry the legislature and at the same time hold Mr. Bryan has on those who are candidates on the democratic ticket was evidenced by the number of legislative candidates who got in under the Oregon plan and signed statement No. 1 at the last minute. Many democratic candidates for the legislature sent in special requests after making their filings and asked that the secretary of state record them as having signed statement No. 1. This activity on the part of the candidates was noticed after Mr. Bryan issued his statement in favor of an endorsement of that act of the legislature of which he was the father.

Motive of Patrick.

The fact that W. R. Patrick announced himself as a candidate for governor on the democratic ticket after having said he favored the election of Senator Aldrich, republican; and that he was opposed to both Governor Shallenberger and Mayor Dahlman, has started some discussion among democrats as to his real reason for getting into the race. An Omaha democrat is authority for the statement that Patrick said he was for Aldrich and hoped to see him elected. Aldrich is quoted as having suggested that those who desire to help him would boost Mayor Dahlman for the democratic nomination, as friends of the governor are of the opinion that Patrick hopes in the long run to help Aldrich by his candidacy.

Though Mr. Bryan has issued five official statements in his latest round, he has not yet said whether he will support the democratic nominees for governor if defeated in the Grand Island convention, so efforts are being made to draw him out in this subject. Some believe that he will support Patrick, and others are of the opinion Aldrich is the bill.

Will Amis Lead Pops.

Governor Shallenberger has a clinch on one nomination; that of the populist party. He is the only candidate for governor who has filed on that ticket.

Willis Reed of Madison, thought he had the populist nomination for United States senator tied down, but at the last moment Saturday, G. M. Hitchcock, another candidate, got busy and filed a populist petition, so he is candidate on the double header, and Richard L. Metcalf has also come in under a populist petition. Mayor Dahlman and W. R. Patrick are the almost pure democratic candidates, being too late now for Patrick to file a prohibition petition.

The following delegates were appointed by Governor Shallenberger Tuesday to the second national conservation congress to be held at St. Paul, Minn., September 8 to 9:

Harvey, Omaha; J. B. McDonough, North Platte; Charles A. Morrill, Scotts Bluff; W. S. Ruggels, Alliance; James Coffey, Chadron; Jack Walsh, Humboldt; John P. Thiesens, Jansen.

The following delegates have been appointed by the governor to represent the state of Nebraska in the fourth international conference of state and local taxation to be held in Milwaukee, August 29 to September 2:
