EAST WICHES THE WEST

Overdose of Property that Must Be Paid For. Wall Street is Claiming a Monopoly on the Art of Cremating Money—The Outlook is General.

By Preston C. Adams. NEW YORK, July 23.—(Special Dispatch to Bee.)—New York financiers are watching the western money situation not only with keen interest, but with no little apprehension. The fact that the western country is suffering from an overdose of property and may be called upon to pay for it is a matter of fact.
