The All Important Change

Some say it's money. It isn't; it's getting away from the old "grind" for a while. If you are dissatisfied with your lot and feel generally disagreeable you need a change—a vacation.

Go somewhere, take a trip to the mountains for a few weeks or months, go camping or fishing in Minnesota, take a cruise through the Great Lakes, visit the St. Lawrence River resorts, New England or the seashore. We can tell you hundreds of good places to go, and offer you fares and train service that will make it, all things considered, cheaper than staying at home. Particulars at

LESS THAN HALF PRICE

sale of high grade standard Pianos. Thoughtfully read our reasons for sacrificing all the profits, and in some cases actually sustaining a loss, and you will realize that we are really compelled to sell.

We will deliver or ship it to its destination later if necessary.

Buy Your Piano from Hayden's

during their forced room-clearing sale, for they offer some of the best makes at

Tess Than 1/4 of Original Cost

Our first reason is, that having contracted with decorators to re-decorate our rooms, we have also decided to re-arrange our display room. It is necessary in order to do the work of re-arranging and decorating, that we sell at least 250 of the instruments now on hand.

Reason Number 2 is, that we have received word from the factories (that manufacture the Knabe, the Sohmer, Chickering Bros., Fisher, Estey, Wegman, Schaeffer, Price & Teeple, Milton, Smith & Barnes Pianos; also the makers of the Knabe Angelus, Emerson Angelus, Angelus Pianos, Angelus Piano Players) that within the next ten days they will begin shipping orders placed for fall delivery.

Reason Number 3, having disposed of our warehouse, we have no other place suitable to place these large shipments except at an enormous expense. Instead of paying storage, we prefer to give our friends and customers the benefit.

A careful perusal of the following bargains offered will be of interest:

- | | |
|---|---|
| 1 Vose & Sons upright, regular price \$350; our price \$135.00 | 1 Steger Piano, regular price \$200; our price \$137.50 |

| 1 Melville Clark Piano, regular price \$350; our price \$175.00 | 1 Smith & Nixon Grand, regular price \$750; our price \$350.00 |
| | 1 Smith & Nixon, regular price \$850; our price \$375.00 |

AS AN EXTRA INDUCEMENT, we will include free with each piano a beautiful scarf, also stool.

Terms of payment can be arranged with us to suit the pocketbook of the purchaser. We guarantee every piano sold for a period of from five to twenty years. We guarantee during this sale to give you more and better quality for less money on easier and more suitable terms than has ever been offered in the history of the piano business in Nebraska. An investigation will prove to the investigator that every one of the foregoing statements is the truth.
