an annex to the regular platform it is an anomaly. In view of the regular control of the convention, and the evident satisfaction of the delegates with the resolutions reported by the committee, it probably would be fair to describe the Norris Lady Gladstone. The Boers, always a stiff-resolution as a "joker." Irregularly adonted to the sense of touch not stirring.

A darkish shadow follows her and sneaks anomaly. In view of the regular control of the convention, and the evident satisfaction of the delegates with the resolutions reported by the committee, it probably would be fair to describe the Norris resolution as a "joker." Irregularly adonted the sense of touch not stirring.

She trembles as she thinks she feels or hears a wildcar purring.

When beauteous Miss Democracy in solwhen beauteous Miss Democracy in solitude is dreaming
Beside the hearth, all fear forgot, all perils distant seeming;
The smoke from smoldering wood take form—St. Jefferson protect her!—
She sees the bogey of the street, that same old Bryan specter.

"Just nerves," you say, but nervousness quite wrecks a constitution; The puzzle balks her doctors, and they The puzzle balks her doctors, and they find no real solution;
Her sad delusions seem so fixed that Science cannot vary 'em;
And many of her friends suggest a help:

## Talks for people who sell things

chant, a prominent retailer said: "I alter principles or policy." analyze the needs of others, and I Just a dignified statement that compelled keep the fact prominently before the the attention of readers. people that I can supply their needs I called on Mr. Benjamin Thursday and in quantity and price.
