The track runs a distance of 49.23 miles.

Dahlman Men Not Worried Claim that They Have Already Discounted the Influence of Patrick. At the Dahlman headquarters Chairman Flynn and Secretary Horner insist that the withdrawal of Patrick will not alter their plans in any way. "Patrick's candidacy was discounted, anyway," said Horner, "and his withdrawal simply clears the decks for a fair and open fight on the main issue in the campaign."

No surprise was expressed over the list of challenger managers printed in The Bee, but among the hangers on at the Dahlman rooms, murmurs were heard against the activity of "Johnny" Murphy, who is regarded as a government employe, being in the service at the corral. The appearance of Councilman Johnson's name in the list also gave ground for a hoarse from the major's friends. Some of Johnson's friends insist his name was used without authority, but the Fourth ward councilman never has been listed as a very strong Dahlman man, and his natural inclinations would be to back Challengers. Chairman Marshall and Secretary Bennett of the Challenger committee are rapidly getting their plans in order to make good the governor's word that he will divide Douglas county with the mayor in the primary vote.

DEPORTED CHINAMAN IS TO TRAVEL IN REAL STYLE United States Marshal Warner Will Take Leo Hop Fong in Pullman. United States Marshal Warner and Deputy United States Attorney A. W. Lane will on Friday morning take a Chinaman for a joyride to San Francisco. The Chinaman is Leo Hop Fong, some time ago adjudged guilty of being in the country in violation of treaty rights.

Wagon Hop was arrested a year ago he made the smiling boast, "Me got cool money" and was quite independent. He put up a cash bond of \$1,000 to await trial, but finally tired of paying lawyers' fees and concluded to take his remaining coin back to China. Miss Stan provides that he shall travel in style, since the marshal and his guard cannot well be put into the smoker for the long trip. A Pullman will therefore be the home of Hop on the trip to the coast. His arrival there will be timed for the departure of a ship that will land him in China, there to remain. He came in as a student, but made the mistake of going into money-grubbing pursuits. Hop will not be manacled, but Warner and Lane will take turns in keeping him company.

Children reported from northern states all receive this Pullman trip, with select rice and other high class dishes, at the expense of the government. Those shipped from many points in the southwest go to the point of deportation in considerable less style. They generally go in bunched in specially constructed cars, from which egress is not easy.

HUMANE OFFICER INSPECTS MANY ANIMALS IN JULY Woodbridge Reports Over Nine Hundred Dumb Brutes Passed Under His Eye During Month. The advent of a circus in the city gave Humane officer Woodbridge a considerable amount of work inspecting animals last month. The inspector reports he passed criticism upon 907 animals in all during July. The list of dumb brutes he looked at and decided the fate of included dogs, horses and cats. Following is the itemized report: Large animals destroyed, 14; small animals destroyed, 2; arrests for cruelty to animals, 13; convictions (fines \$20), 3; animals ordered from work, 19; animals inspected (fines, convictions, etc.), 977. A number of new collars were ordered placed on horses. Many horses were ordered shot.

PAVING FIGHT IS UNDER WAY

Action of Council Not Taken as Conclusive for Wooden Blocks. HAVE HOPE OF MAYOR'S VETO Some Property Owners Maintain that New Pavement is Not Needed on Sixteenth Street at This Time. Still the opposition to creosote wood paving for South Sixteenth street will not stop. Although the council passed an ordinance Tuesday night accepting the petition of the property owners the interested citizens who favor either some other material or no paving at all are hoping for a veto from the mayor's office of a refusal on the part of the council to advertise for bids. The ordinance might die in either fashion effectively.

Mayor Dahlman is known to have been very strongly opposed to wooden blocks and it is thought that he would refuse to accede to them, but Acting Mayor Brucker, now in the chair, although he is of the opinion that the experiment will be a disappointment, thinks that the scheme ought to be tried if the people want it. The contractors for other paving material who are trying to keep wooden blocks out of the city assert that the majority represented by the petition consists in reality of one real estate company which owns or controls much of the property along South Sixteenth street and which is also interested in getting the creosoted blocks into the city. Some of the property owners say no paving of any sort is needed.

Automobile Hit by Locomotive

Three Boys Badly Hurt Near Seward When Car is Wrecked by Burlington Engine. SEWARD, Neb., Aug. 3.—(Special.)—Superintendent Bigwell of the Burlington's inspection car struck a car drawn by a switch engine, struck an automobile at a crossing one-half mile east of Seward this morning. The car was occupied by E. C. Goerke and Harry Anderson of Osceola and E. H. Goerke of Burr, Neb. Anderson was thrown high into the air and landed on the cowcatcher of the engine and was carried 100 feet. He was bruised and had an ear mangled. E. C. Goerke was pinned under the auto and a seat pressed down on his throat until he was half dead when extricated. E. H. Goerke was badly bruised. The boys were brought on the inspection car to Seward, where Dr. Potter attended them. The general superintendent of the Burlington was also on the inspection car. The crossing where the accident occurred is one of the most dangerous in the county, as the approach of trains cannot be seen because of a curve in the road. A rural mail carrier was killed there a few years ago.

WOODMEN TO SOON START WORK ON NEW BUILDING

Place to Be Vacated by the Union Outfitting Company to Be Torn Down. The executive council of the Woodmen of the World in all in session and will not adjourn until Friday. Upon hearing a report of the building committee the executive council ordered that committee to prepare to go ahead and fulfill the contract with bonus subscribers and begin tearing down the east sixty-six feet of the purchase on Farnam and Fourteenth streets. "This will probably start about the first of November," said J. C. Root, foreman and commander of the order. "Negotiations with Milton Rogers," added Mr. Root, "are at a standstill."

SALT LAKE CITY WANTS THE PRINTERS' CONVENTION

Delegation Enroute to Minneapolis Stops Off in Omaha. Five Salt Lake City boosters en route to the International Typographical union meeting at Minneapolis passed through Omaha Wednesday, prepared to take back with them the 1911 convention to Salt Lake City. The delegation will make a strong bid for the convention and feels that it has an excellent prospect of landing it. The delegates were Harry C. W. Smith, secretary of the Salt Lake boosters; John Osborne, A. F. Goodman, O. L. Witbeck and Mrs. Frank Starr. They represent Salt Lake Typographical union, No. 115.

FRED BRUNING IS GRILLED

Other Commissioners Hand Out Several Hot Bits to Their Brother Commissioner. County Commissioner Fred Bruning was "in bad" with the rest of the board for a while Tuesday and was the recipient of several complimentary remarks. While members of the Pappillon drainage district were before the board presenting their assessment case Chairman Bruning appeared inclined to go their way. He remarked that the county ought to do something for the district in return for what it had done for the county.

CRABTREE VISITS IN OMAHA

Candidate for State Superintendent is Looking After the Political Crop. Prof. J. W. Crabtree, candidate for the republican nomination to the office of state superintendent, is spending the day in Omaha, visiting friends and at the same time making some political medicine. Having been over a considerable portion of the state, Prof. Crabtree believes Nebraska will have a good substantial grain crop, no matter how the political crop turns out.

PERSONAL PARAGRAPHS

Mrs. William Chambers and three children, Mrs. Edith and Ward, of Anderson, Ia., are visiting with Mrs. Chambers' parents, Mr. and Mrs. A. N. Glover, 315 Grand avenue. They will remain for three weeks, when they will return to their home with Mr. Chambers, who will meet them in Omaha, upon his return from the west, where he is on a business trip.

AN AMERICAN KING

Is the greatest king in course, Dr. Egan's New Discovery, the quick, safe, sure cough and cold remedy, 50c and \$1.00. For sale by Beaton Drug Co. LARGE POPULAR PRICED DEPARTMENT STORE TO OPEN At 1405 Douglas Street. Within a few days Fenger's Department Store will throw its doors open to the public. The proprietor has spared no expense in fitting up the store and after weeks of hard work by carpenters, painters, etc., the store now presents a beautiful appearance. Mr. Fenger says the policy of the store will be to sell not only the best grade of merchandise at popular prices, but Mr. Fenger has built up a highly successful business at Plattsmouth, Neb., where he has conducted the Plattsmouth Department Store for the past 19 years, being one of the leading merchants there. The store will handle a general line of merchandise and as Mr. Fenger says, we can dress man, woman or child from head to foot for less money than others and give better merchandise thereby earning the right to the title of popular priced store.

Creosote Block Given Another Boost by Council

Ordinance for Resurfacing South Sixteenth Street Passed Against Opposition. After another faint quiver of opposition the creosote paving ordinance which will introduce wooden blocks again into Omaha streets on Sixteenth between Farnam and Leavenworth was finally passed by the city council Tuesday night. President Brucker, because it held it back for another week, because it was removed that the signers of the petition were anxious to withdraw, but this report was pronounced to be one of the many that have been circulated by the advocates of other materials and the ordinance was put to a vote. Four councilmen voted against it. In order that a fair chance and the results of the investigation made evident to the public a resolution was offered by Councilman Berka providing that the city electrician try the various devices and purchase the best one for installation on the city hall smoke pipe. The fire limits ordinance, which extends the specially guarded district further out into the city along the business streets, such as North Twenty-fourth and Farnam, was passed. The absence of J. P. Palmer, the extra member of the council, who disappeared from the meeting a week ago, was noted by Member Hummel and a few theories were advanced as to the reason for Mr. Palmer's attendance upon the meetings for two years and his sudden ceasing. Attorney Whitaker of the Union Pacific declared that, contrary to rumor, Mr. Palmer was not a representative of that corporation, and the inquiry was abandoned.

Section Hand is Killed by Train

Overland Limited Mangles Italian Laborer—Coroner is Making Investigation. Joseph Frannaco, an Italian working as a section hand on the Union Pacific railroad, was badly mangled and killed by train No. 1, running between Wahoo and Elkhorn, about 9:15 Wednesday morning. Coroner Crosby is trying to learn details concerning the accident and the victim. He is making an investigation and probably will hold an inquest.

FALL FROM VIADUCT MAY PROVE QUITE SERIOUS

Charles Sundburg Breaks His Breastbone in a Bad Tumble at South Omaha. Charles Sundburg, who resides at Nineteenth and P streets, South Omaha, is in the hospital in a serious condition. He fell from the Q street viaduct Tuesday evening while intoxicated and it was thought at first that he was not much injured, but investigation by Dr. McCrann revealed the fact that his breastbone is broken. Sundburg fell from the approach to the viaduct into the Swift & Co. runway for stock.

DRAINAGE WORK IS STOPPED

Restraining Order is Issued by Judge Sutton on Application of County Commissioners. Judge Sutton Wednesday morning issued a restraining order preventing the Pappillon drainage district digging any more ditches across Douglas county roads until a settlement is reached in the assessment difficulty. The district assessed the county to the amount of \$4,700. The commissioners refuse to pay and as members of the district will not compromise they must cease temporarily, at least, building ditches across roads in the county.

MORE MONEY AND MORE MEN

Board of Fire and Police Commissioners Makes Request. ASKS FOR THIRTY THOUSAND Matter Will Be Put Up to City Council, with Request for Forty Additional Men for Police Duty. More money for men is the call made upon the city council by the Fire and Police Board. The sum of \$30,000 is asked to increase the strength of the department by forty men and Commissioner Waplich, in putting forward the resolution, which was adopted by the board last night, referred to the demands of the taxpayers for additional police protection in various parts of the city. "The recent automobile fatalities," said the commissioner, "had also been responsible for the complaint of the citizens that Omaha had not a sufficiently large police force. Then there are the coming fall festivities, when there will be such a large influx of visitors to the city and the present force is not sufficient to meet the demands now being made upon it."

BANISH THOSE GRAY HAIRS! Kill the Dandruff Germs—Stop Hair Falling. Thousands of mothers are looking younger.—Their gray hairs are gone. The natural color has come back, and with it a new growth of soft, glossy, luxuriant hair. Why should you look old before your time, when you can look years younger by using

WYETH'S SAGE AND SULPHUR HAIR REMEDY. It is Positively Guaranteed to Restore Faded and Gray Hair to Natural Color. If other "so-called" Restorers have failed, don't give up hope, but give WYETH'S SAGE AND SULPHUR HAIR REMEDY a trial. You run no risk. If it is not exactly as represented, your money will be refunded. PROFIT BY OTHERS' EXPERIENCE. Gray Hair Restored. My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me continually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped falling out and gradually came back to its natural color. It is now a nice dark brown color, soft, glossy and pliable. Several of my friends want to use it, and I want to know what you will charge me for six bottles of it. MISS E. A. ROSS, Sharon, Meeker Co., Pa.

MOTHER'S FRIEND. A LINIMENT FOR EXTERNAL USE. Cheerfulness and a bright disposition during the month before baby comes, are among the greatest blessings a mother can bestow upon the little life about to begin. Her happiness and physical comfort will largely govern the proper development of the health and nature of the child. Mother's Friend contributes much to the mother's happiness and health by the relief and mental comfort it affords. It is a liniment composed of penetrating oils and medicines which lubricate the muscles and tendons of the body, soothe the swollen mammary glands, cause a gradual expansion of the skin and ease, and aid in the relief of nausea. The regular use of Mother's Friend greatly lessens the pain and danger when baby comes, and assures a quick and natural recovery for the mother. Mother's Friend is sold at drug stores.
