WANTS MORE WATER BONDS

Board Orders Ordinance Drawn for $6,500,000 Bonds.

TO PUSH IT THROUGH COUNCIL

Board Wants Money for Water Works Purchase and Will Try to Get Bonds on Market as Soon as Possible.

An ordinance providing for the issuance of water bonds to the amount of $6,500,000 for the water works purchase will be asked for by the Water board. At the regular meeting Wednesday night a resolution was adopted requesting the board's attorney to prepare a draft of the ordinance and hurry the action of the council upon it so that the bonds may be put on the market as soon as possible.

John L. Webster, the board's attorney, reported that negotiations with the water company had been somewhat delayed by the illness of the company's lawyer, but that affairs would probably be arranged for a report upon a complete transfer of the property before the next regular meeting. An adjourned meeting will be held next Wednesday.

DR. UPJOHN SELLS RESIDENCE

Fine House on Thirty-Seventh Street is Bought by De Forest Richards for Wife's Mother.

The Dr. Upjohn residence on Thirty-seventh street near Farnam street has been sold to DeForest Richards, cashier of the Omaha National bank, for $33,500. Mr. Richards will not occupy the house himself, the dwelling, which is a new one, having been bought for his wife's mother, Mrs. W. P. Callahan.

The sale was made by the Shotes company.

Mrs. P. B. Haight has bought of John D. Creighton a lot on Cass street, near Fifteenth street, across from Jefferson park, paying $7,000 for the property, on which a building will be erected for the Western Buyers' association. The new building will cost $35,000. Two cottages are now on the lot.

Kansas Hotbed for Insurgents

Dr. Davidson Reports the State All Worked Up Over the Matter.

"The whole state of Kansas is seething with insurgent politics," says Dr. W. M. Davidson, superintendent of instruction, who has just returned from Yates Center in that state. "The people are more roused up over this movement than they have been over anything since ante-bellum days.

"The standpatters displayed their own realization of the importance of the crisis when they sent Cannon himself to the field and Cannon's presence stirred up everybody on one side or the other.

"The primaries gave the insurgents six representatives and one insurgent senator in nomination, which looks rather strong for that side. The insurgents have been very careful to keep the administration itself out of the question and have made their fight altogether on the congressional issues."
