## Stoetzel Stove Co.

714 South 16th Street

We sell on small monthly payments or a cut price for cash.

**Our Long Lasting Steel Range**  
A Steel Range will reduce the cost of living in the winter time because it will warm your house and do your cooking with one fuel. A first class Steel Range is still the cooking apparatus that does the real perfect and thorough cooking. One can always tell the difference in the taste of anything cooked on a first class Steel Range or anything else. Our Ranges have made the reputation of being first class.

**Detroit Ideal Gas Stove**  
There are three features required to make a first class gas stove. They are economy in gas, baking and working qualities and durability. There are hundreds of gas stoves sold in Omaha every year that haven't any one of the three. There are hundreds that work well but only last a few years. The Detroit Ideal made the reputation of lasting twenty years, being an extraordinary fine baker and the most economical gas stove made.
