with pimples, boils, rashes or eruptions, while others suffer more severely with Eczema, Acne, Tetter, Salt Rheum, or some kindred skin disease. All skin affections come from humors and acids in the circulation. The blood, as it circulates through the system, deposits these acids and humors in the sensitive membranous flesh which lies just beneath the outer skin or tissue covering the body. This acrid matter causes inflammation and a discharge which breaks through the delicate cutiele and skin diseases are the result. To cure any skin by her busband and the friends of the trouble the blood must be freed from all acids and humors, and for this purpose family in the city. The deceased was nothing squals S. S. S. This great blood purifier goes down into the circulation and completely removes every particle of impurity, enriches the blood, and in this way permanently cures skin diseases. S. S. S. cures, because it purifies the blood and allows it to nourish, soothe, and soften the skin instead of irritating it with fiery acids and humors. Book on Skin Diseases and any medical advice THE SWIFT SPECIFIC CO., ATLANTA, GA.
